To avoid the labor of rubbing the clothes, and the use of the wash board, the following directions should be followed:

For the washing of eight or ten of a family, take one pound of Soap, cut it into shavings, and dissolve in one gallon of hot water; put the clothes into a tub containing about ten gallons of warm water; pour in the dissolved Soap, and sir thoroughly. Let them seak twenty to thirty minutes, wring out, and rinse in warm water once, cold water twice. A very dirty wrist-band, or seam, or grease spits, may require a slight rubbing, but otherwise the clothes will come out clean and white, without rubbing or boiling. In attributing such valuable properties to this remedy, no rash or unwarrantable assertion is made, but is simply stated a fact; proven undeniably and conclusively by the critaridinary cures, and benefits derived from its use, under the direction of its illustrious originator, Dr. Hoodand, among at classics of European society, and from the immense maze of testimony, from all parts of the American continent, accumulated during the last ten years, in the hands of the present proprietor. The prevalence of diseases to which the German Bitters are adapted, it is with sorrow we say it, is almost universal; indeed there is scarcefy a family throughout the whole extent of our country in which there cannot be found among its members that peculiar sallow and languid appearance donoting a diseased Liver, or an omacinted and suffering Dyspeptic.

Dr. GEO. H. KEYSER, Of all diseases the great, first cause Springs from neglect of Nature's laws. SUPFER NOT WHEN A CURE IS GUARANTEED IN
all stages of SECRET DISEASES, Self-Abuse, Norvons Debility, Strictures, Gleets, Gravel, Diabries, Diseases
of the Kidneys and Bladder, Mercurial Rheumatism, Scroinla, Pains in the Bones and Ankler, Diseases of the Lungs,
Throat, Nose and Eyes, Ulcers upon the Boody or Limbs, Cancors, Dropsy, Epileptic Fits, St. Vita's Dance, an' all diseases
arising from a derangement of the Sexual Organs, such as
nervous trembling, loss of memory, loss of power, general
weakness, dimness of vision with peculiar spots appearing
before the eyes, loss of sight, wakefulness, dyspersin, liver
diseases, eruptions upon the face, pain in the back and head,
female irregularities and all improper discharges from both
sexes. It matters not from what cause the disease originated, however long standing or obstinate the case, recovery is
certain, and in a shorter time than a permanent cure can be
effected by any other treatment, even after the disease hes
baffled the skill of eminent physicians and resisted all the r
means of cure. The medicines are pleasant without odor,
causing no sickness and free from mercury or balsam. During twenty years of practice, I have rescued from the jaws
of death many thousands, who, in the has tages of the
above mentioned diseases had been given up to die by their
physicians, which warrants me in promising to the afflicted,
who may place themselves under my care, a perfect and
most speedy cure. Secret diseases are the greatest enemics
to health, as they are the first cause of Consumption, Scrofula and many other diseases, and should be a terror to the
human family. As a pormanent cure is scarcely over effected, a majority of the cases falling into the hands of incompotent persons, who not only tail to cure the diseases but
ruin the constitution, filling the system with mercury potent persons, who not only tail to cure the diseases but ruin the constitution, filling the system with mercury, which, with the disease, hastens the sufferer into a rapid Consumption which, with the disease missions and consigning the Consumption.

Eutahord the disease and the treatment not cause double speed, i.e., and the victim marries, the disease is entailed upon the children, who are born with feeble constitutions, and the current of life corrupted by a virus which botrays itself in Scrofula, Totter, Ulcers, Eruptions and other affections of the skin, eyes, throat and langs, entailing upon them a brief existence of suffering and consigning them to an early grave. an early grave.
SELF ABUSE is another formidable enemy to health, for Self-ABUSE is another formidable enemy to health, for nothing else in the dreat extalogue of human diseases causes at destructive a dram upon the system, drawing its thousands of victims through a few years of suffering down to an untimely grave. It destroys the nervons system, rapidly wistes away the cacraics of life, causes mental derangement, provents the proper development of the system, disqualities for marriage, society, business, and all cartifly happiness, and leaves the sufferer wretched in body and mind, prediaposed to Consumption and a train of evils more to be dreaded than death itself. With the fullest confidence I assure the unfortunate victims of Self-Abuse that a permanent and speedy cure can be effected, and with the abundonment of rainous practices my patients can be restored to robust. f rainous practices my patients can be restored to robust, igorous health. I have carefully analysed many of these called Patent Medicines and find that nearly all of them contain Corrosiye Sublimate, which is one of the strongest preparations of mercury and a deadly poison, which instead of curing the disease disables the system for life.
