Outrageous Conduct. On Tuesday morning Cyros Hutchison and James Finch went to Mayor Statistath, of Alleghony, and acquainted him with an outroo which had been perpetrated on them the provious evening, in broad day-light. Hutchisous keep; a store year Manchester, on the plant good, we believe your Manchester. ter, on the plank road, we believe, and on Monday evening, while he was standing at the door, he saw approaching four fellows, who were drunk, named James Carline, David Dill, James Helm and Charles McTiernan, and fearing from their looks that they would give him trouble, went inside and locked the door. One of the party tried the door, and on finding it fastened, threatened to burst it in, if it. was

Hutchison then turned back the lock, and the four rushed in .-Finch pulled out the pistol, on stoling which the in truders laid hold of the terrified man, dragged him on the pavement, and pulling out their knives and pistols threatened death. In a moment they let him go, and he ran away os fast as his legs would carry him, the whole treep in het pursuit, one of whom it is stated, drew a knife on a woman. Finch managed

The Execution. To-morrow is the day for the execution of the sensentence of the law upon Fife and Charlotte Jones. We are glad to know that the Sheriff, in making his arrangements for the execution, is determined to carry, out the letter of the law and conduct this solemn affair with all possible privacy. The necessary preparations are going forward with as little noise as possible. The number of persons admitted will be very few-indeed, we have heard it stated quite positively that the press will not be admitted. Yesterday morning the scuffold, having been pre viously constructed, was taken to the jail yard and secured in its place. Throughout the day, a continual throng of visitors besieged the jail, all filled

with a morbid anxiety to see the prisoners and the preparations for their execution. We would think it proper that visitors should not be allowed to enter he precincts of the juil from now until the execution has taken place. The prisoners are carefully watched in order to prevent the accomplishment of any at-Acquittal of Richards: The Court of Oyer and Terminer met at nine o'clock yesterday morning, and the arguments pro and con having been concluded on the evening provious. He wanted further time for its consideration.

Mr. Letcher regarded the bill as violative of the onstitution, as it proposed to control the private business of those engaged in freighting, and interfere with the rights of the States.

Mr. Miles Taylor advocated new provisions to carry out the present law, which, in many respects, was inoperative. Mr. John Cochrane explained: he showed the ne-

cessity of the immediate passage of the bill.

Mr. Washburne, of Illinois, showed the necessity for the passage of the bill, and explained that it brings under the operation of the law of 1852 ferry and tug boats. Additional restrictions are imposed against carrying spirits of turpentine, gunpowder, and all other combustible articles. Penalties are also imposed against inscribing false names on boats. ORLY OME BOTTLE DR. SANFORD'S INVIGORATOR, To cure any one troubled with Liver Complaints, unless the most desperate of cases, when the second bottle will, with scarce a single failure, restore the patient to health and vigor. We wish to call the attention of all to these facts, that the Invigorator is compounded by a physician who has used it in his practice for the past twenty years with a success almost credulous, and that it is entirely vegetable, being composed wholly of gums.

Some idea of the strength of these gums may be formed when it is known one bottle of the Invigorator contains as much strength as one hundred doses of Calomei without any of its deleterious effects.

We know there is nothing now before the American public, prepared with such skill by a scientifleman, particularly for discusses of the Liver, as Dr. Sanford's Invigorator, or Liver Remedy. It has attained a reputation second to no other article in the world, simply because it reat on its own merit. To convince all by trial that it is all its proprietors claim it to be, if any of our readers are suffering from such diseases as are described in Dr. Sanford's advertisement, we know of know remedy that will so surely cure them as the Invigorator. TS REQUIRED TO CURE ANY ONE

MEDICAL.

The Invigorator cures Sick Headache. Take one or two teaspoonfuls at each attack and it will soon disappear. For an overloaded stomach, or when food rises or sours, take the an overloaded stomach, or when food rises or sours, take the Invigorator after eating, and it will not prove disagreeable or oppressive. For Heartburn, Palpitation, or Difficult Breathing, take a teaspoonful once or twice daily. For Loss of Appetite, Languor or Listlessness, the medicine is invaluable. It will restore the appetite and make the food digret well. Nightmare, take a teaspoonful on retiring, and the demons of dream-land will all be fairles. After cating a hearty dinner, take a dose of fuvigorator and it will relieve all oppression or fullness. The Invigorator is a Liver Remody of unequaled virtue, acting directly on that organ, curing Dyspepsia, Jauntile, Billious Attacks, Dysentery, Pites Worms, and all Female Obstructions, for which it has no equal.

We know there is nothing now before the American pub-lic prepared with such skill by a scientific man, particular ly for diseases of the Liver, as it. Sanford's Invigorator, o Liver Romedy. It has attained a reputation second to a other article in the word, simply became it rests on its own merit. To convince all by trust that it is all its proprietors claim it to be, if any of our readers are suffering from such diseases as are described in Dr. Sanford's advertisement, wa know of no remedy that will so surely cure them as the Invigorator. Invigorator.

There has lately been brought to our netice a medicine that seems to possess wenderful, curative and healing properties in discuss of the Live, Stomach and Digestive Organs. It came to us with so many testimonials in its favor that we have noted its effects in some of the worst cases of continual dibility, caused by derange. liver, and in every instance the effect was to relieve or give a permanent cure, Dr. Sanford's Invigorator, or Liver Resnedy is what we refer to. We always have been creditions about cures by patent medicines, but we are convinced that this medicine, for family use, is not overrated by the host of recommendations it has. Our advice is, for all treubled with Indigestion, Debility or Bowel Complaint, to get a bottle and try it; our word for it, relief will be experienced.

BLESSINGS TO THE INVALIDA WHO USE Dr. Sanford's Invigorator, for it will relieve them of their pains as soon as it is taken into their stomach. Pain and misery cannot exist where the invigorator is used, for it will assurely drive them away, as daylight will banish darkness, of this there can be no doubt to these who be try it, for it carries conviction with every dose taken. Another evidence is the thousands of certificates from those who use it or have been cured by it, Try one bottle, it it does not benefit, then we are mistaken.
