4 feet water in the channel at dark last night. The weather
is bitter cold, and heavy bodies of ice are floating slowly out
of the Allegheny river or lodging against the piers of the
bridges. Above the aqueduct men are engaged in taking
out ice and stowing it away for summer use. Navigation is
outriedy suspended, and it will not be a matter of surprise
if both rivers are closed this morning. A number of boats
are lying at the landing loaded and ready to depart the moment navigation opens. Business at the wharf is going on
slowly and when the river opens a perfect fleet will take
their departure. Freights having been below living prices
will necessarily be obliged to come up.

MEDICAL. ONLY ONE BOTTLE -0 F-DR. SANFORD'S INVIGORATOR. TS REQUIRED TO CURE ANY ONE TO CUKE ANI UNE troubled with fiver Complaints, unless the most desperate of cases, when the second bestle will, with scorce a single failure, restore the patient to health and vigor. We wish to call the attention of all to these facts, that the Insignment is compounded by a pin striam who has used it in his practice for the past twenty years with a success almost credulous, and that it is entirely vegetable, being composed wholly of grams.

know of know remedy that will so surely cure them as th The Invigorator cures Sick Headache. Take one or two teaspoonfuls at each attack and it will soon disappear. For an overloaded stomach, or when food rises or sours, take the Invigorator after eating, and it will not prove disagreeable or oppressive. For Heartburn, Palpitation, or Difficult Breathing, take a teaspoonful once or twice daily. For Less of Appetite, Languor or Listlessness, the medicine is invaluable. It will restore the appetite and make the food digest well. Nightmare, take a teaspoonful on retiring, and the demons of dream-land will all be fairies. After eating a hearty dinner, take a dose of Invigorator and it will relieve all oppression or fullness. Too Invigorator is a Liver Romedy of unequaled virtue, acting directly on that organ, curing Dyspepsia, Jauntice, Billions Attacks, Dysentery, Piles, Worms, and all Female Obstructions, for which it has no equal.

We know there is nothing now before the American public prepared with such skill by a scientific man, particularly for diseases of the Liver, as Pr. S. mford's Invigorator, or Liver Remedy. It has attained a reputation second to no other article in the wor d, simply because it rest-on its own merit. To convince all by trial that it is all its proprietors claim it to be, if any of our readers are suffering from such diseases as are described in Dr. Sanford's advertisement, we know of no remedy that will so surely cure them as the Inviscontor. There has lately been brought to our notice a medicine that seems to possess wenderful, curative and healing properties in diseases of the Liver, Stomach and Digestive Organs. It came to us with so many testimenials in its favor that we have noted its effects in some of the worst cases of continual dibility, caused by deranged liver, and in every instance the effect was to relieve or give a permanent cure, Dr. Sanford's Invigorator, or Liver Romedy is what we refer to. We always have been credulous about cures by put ent medicines, but we are convinced that this medicine, for family use, is not overrated by the best of recommendation. mily use, is not overvated by the host of recommend has. Our advice is, for all troubled with Indicestic

olity or Bowel Complaint, to get a bottle and try it; or word for it, relief will be experienced. Blessings to the Invalies who use Dr. Sanford's Invigor-for, for it will relieve them of their pains as soon as it is aken into their stomach. Pain and misery cannot exist there the Invigorator is used, for it will as surely drive them way, as daylight will banish tlarkness, of this there can b-io doubt to these who try it, for it carries conviction with very dose taken. Another evidence is the thousands of no doubt to the se who try it, for it carries conviction with every dose taken. Another evidence is the thousands of certificates from those who use it or have been cured by it. Try one bottle, if it does not benefit, then we are mistaken. PRIOK ONE DOLLAR PRICE SOTTLE.
