Two of these informations are made by Robert Broon, charging him with abducting from the State of Pennsylvania a free white citizen; also with an attempt to abduct him. Another information is for conspiracy, charging Shaw and other parties with attempting felonious. ly and illegally to kidnap the child of Mary Ann Farris with the intention of carrying it into slavery. ONLY ONE, BOTTLE DR. SANFORD'S INVIGORATOR, Troubled with Liver Complaints, unless the most designate of cases, when the **cond* bottle will, with scarce a single failure, restore the patient to health and vigor. We wish to call the attention of all to those facts, that the Invigorator is compounded by a physician who has used it in his fractice for the past twenty years with a success almost credition, and that it is entirely vegetable, being composed whichly of gams.

Some idea of the strength of these gams may be formed which it is known here bottle of the Invigorator contains as much strength as one hundred doses of Oalomel without any of its deleterious effects.

We know there is nothing now before the American public, prepared with such skill by a scientific man, particularly for diseases of the Liver, as Dr. Sanford's Invigorator, or Liver Remedy. It has attained a reputation second to no other article in the world, simply because it rest on its own merit. To convince all by trial that it is all its proprierors claim it to be, if any of our readers are suffering from such diseases as are described in Dr. Sanford's advertisement, we know of know remedy that will so surely cure them as the Invigorator. The invigorator cures Sick Headache. Take one or two tesspoonfuls at each attack and it will soon disappear. For an overloaded stomach, or when food rises or sours, take the invigorator after eating, and it will not prove disagreeable or oppressive. For Hearthurn, Palpitation, or Difficult Breathing, take a tea-poonful once or twice duily. For Loss of Appedie, Languer or Ludlessness, the medicine is invaluable. It will restore the appetite and make the food digest well. Nightingue, take a teaspoonful on retiring, and the demons of dream-land will all be fairies. After eating a hearty dinner, take a dose of invigorator and it will relieve all oppression or fullness. The lavigorator is a Liver Remedy of unequaled virtue, acting directly on that organ, curing Dyspepsia, Janulice, Billious Attacks, Dysontery, Piles, Worms, and all Female Obstructions, for which it has no equal.
