LOCAL AFFAIRS.

Extensive Haul of Stolen Goods On Thursday, Robert Finley and his son John, re siding in the Fifth Ward, and Joseph Gordon, of the Ninth Ward, were arrested on suspicion of having stolen goods in their possession. Search warrants were issued, and the house of Finley being searched, quite a number of articles were found in the house. consisting of fine coats, vorts, shawls, jewelry, &c. Yesterday a portion of the goods were identified by Mrs. Henry B. Foster, of Lawrencoville. She states that the articles, consisting mostly of wearing aperel, had been packed away in trunks, and stored a house near the one in which they lived, and that estly or requently admonish invalids of the EACHED.

ING DA GER OF DELAY IN PULMONARY DISEASE they had been taken away some time last November, since which time they had not been heard of. She states that the value of the articles lost approaches o eight or nine hundred dollars. As yet only about hree hundred dollars' worth has been recovered. A

second search was instituted yesterday, and the premises of the father of Gordon, a boy only seveneen years of ago, were searched; here they found. ecreted in a flour barrel, a quantity of jewelry, a plush vest, a gentleman's shawl several caps and a set of furs. The furs have not yet been identified; he vest and shawl were accortained to be the proptry of E-lieb & Angel, on the corner of Sixth and Wood structs. The activies were taken from their store in January last. A five Rugland out and some

other articles of wearing apparel, valued at fifty dolto be the preperty of O'Conner, on Smithfield street. She is a milliner, and the bonnet was taken from her shop on the 24th of Docember. Mr. J. B. Craig, a jeweller on Fifth street, recognized the Jewelry as part of the contents of a show case stolen from him on the 31st of December; some of the clothing had also been taken from his hall. The amount lost by German Bitters, I was induced to try them, and I now state | him was about two hundred dollars, but he has not yet recovered half of it. There was also found at one of these places a number of keys of all sizes, and a file formed into the shape of a knife. Altegether, there are five informations against the party. The boys will probably be sent to the House of Refuge, as either of them are seventeen. Turley will stand chance of going to the Penitentiary. This is the

most extensive haul of stolen goods that has been made for a year, and the May a and his police deserve great credit for the manner in which the affai was managed. THE NEW AMERICAN CYCLOPEDIA, by D. Appleton & Co., New York; Hunt & Miner, Pittsbu ch. Volume 1st, Revised a proof sheet of the Revised Edition, correcting an error which, as we remarked in a previous notice was

matter of slight moment, received a large share o attention. The first edition of the present volume, though gotten up with great care, was more an exhibit of the work, in size, mechanical execution, plan of treatment, &c., sept to the editors throughout the Union or review, so that if any error arose they could make the needed correction in the Revised Edition intended for subscriber :. The public not being fully aware of these facts, viewed the matter in a different light. The Messrs. Appleton's letter, regretting the mistake, and assoring the correction, which we have pre iously published, and of which we have tangible vidence in the proof-sheet before us, will be sufficion to satisfy the most skeptical that the work will in point of accuracy be fully up to the terms of the prospectus. Without further preface, we give the "ALLEGHENY CITY-An important manufacturing

The sleigh was nearly destroyed, and the harness torn off the horse; which, rather surprised at the sudden interruption, started and ran up Wylie street, Mr. Tanner's horse continuing in that direction, leaving the wagon behind. MEDICAL. ONLY ONE BOTTLE -07-DR. SANFORD'S INVIGORATOR. TS REQUIRED TO CURE ANY ONE troubled with Liver Complaints, unless the most desperate of cases, when the second bottle will, with scarce a single failure, restore the patient to health and vigor. We wish to call the attention of all to these facts, that the Invigorator is compounded by a physician who has used it in his practice for the past twenty years with a success almost credulous, and that it is entirely vegetable, being composed wholly of gums. wholly of gams.

Some idea of the strength of these gams may be formed when it is known one bottle of the Invigorator contains as much strength as one hundred doses of Calomal without any of its deletations offerts. much strengen as one numbers does of the American public, prepared with such skill by a scientific man, particularly for diseases of the Liver, as Dr. Sanford's Invigorator, or Liver Remedy. It has attained a reputation second to no other article in the world, simply because it rest on its own merit. To convince all by trial that it is all its proprietors claim it to be, if any of our readers are suffering from such diseases as are described in Dr. Sanford's advertisement, we know of know remedy that will so surely cure them as the Invigorator.

We know there is nothing now before the American public prepared with such skill by a scientific man, particularly for diseases of the Liver, as ir. Senford's Invigorator, or Liver Remedy. It has attained a reputation second to no other article in the word, simply because it rests on its own merit. To convince all by trial that it is all its proprietors claim it to be, if any of our readers are suffering from such diseases as are described in Dr. Sanford's advertisement, we know of no remedy that will so surely cure them as the Invigorator.

There has lately been brought to our notice a medicine that seems to possess wonderful, curative and healing properties in diseases of the Liver. Stomach and Digestive Organs. It came to us with so many testimonials in its favor that we have noted its effects is some of the worst cases of continual dibility, caused by deranged liver, and in every instance the effect was to relieve or give a permanent cure, Dr. Sanford's Invigorator, or Liver Remedy is what we refer to. We always have been credulous about cures by patent medicines, but we are convinced that this medicine, for family use, is not overrated by the host of recommendation. mily use, is not overrated by the host of reco t has. Our advice is, for all troubled with Indigestic bility or Bowel Complaint, to get a bottle and try it; our word for it, relief will be experienced.

BLESSINGS TO THE INVALIDS who use Dr. Sanford's Invigor-BLESSINGS TO THE INVALIDS WHO USE DI. SANIOTO'S Invigorator, for it will relieve them of their pains as soon as it is taken into their stomach. Pain and misery cannot exist where the Invigorator is used, for it will as surely drive them away, as daylight will benish darkness, of this there can be no doubt to these whe try it, for it carries conviction with every dose taken. Another evidence is the thousands of certificates from those who use it or have been cured by it, Try one bottle, it it does not benefit, thou we are mistaken.

In presenting the Medical Discovery to your notice, I do it with a tull knowledge of the curative power, in relieving all, and curing most of those diseases in which you are un fortunately so liable. That most excruciating disease to an NURSING SORE MOUTH, Is cured as if by a miracle; your own temper is rectored to its natural sweetness, and your babe from short and fretful maps to calm and sweet slumbers; and the Medical Discovery becomes a fountain of blessing to your husband and boushold.

In the more advanced stages of CANKER

which is nothing but canker of the stem h; then to th KIDNEYS, reating a sinking, gone feeling, and an indifference evite cares of your family.

Your stomach is

RAW AND INFLAMED,

your food distresses you, and you can only take certain kinds, and even of that your system does not get half the nourishment it contains as the scrimonous fluid of the canker eats it up; then your complexion loses its bloom and becomes sallow or greenish, and your best day is gone. For want of nourishment your system becomes loses and flabby, and the fibres of your body become relaxed. Then follow a train of diseases which the Medical Discovery is peculiarly adapted to AUCTION AND COMMISSION MERCHANTS, Palpitation of the heart, pain edde, weakness of the spine and small of the back, pain of the hip joint when you retire, irregularity of the bowels, and also, that most excruciating of diseases, the

PILES. How many thousands of poor women are suffering from this disease and pining away a miscrable life, and their next door neighbor does not know the cause. I wish to impress or your mind that good old proverb, "An ounce of prevention is better than a pound of cure," In the MEDICAL DISCOVERY you have both the preventative and the cure, with this great and good quality, that it will never, under any circumstances, do you any injury.
