For the washing of eight or ten of a family, take one pound of Soap, cut it into shavings, and dissolve in ongallon of hot water; put the clothes into a tub containing about ten gallons of warm water; pour in the dissolved water twice. A very dirty wrist-band, or seam, or grease spets, may require a slight rubbing, but otherwise the clothes will come out clean and white, without rubbing or beat double time in southing Its advantages over other Soaps are:—1st. 8 FIR 128.

In attributing such valuable properties to this remedy, no rash or unwarrantable assertion is made, but is simply stated a fact; proven undeniably and conclusively by the extraor-dinary cures, and benefits derived from its use, under the direction of its illustrious originator, Dr. Hoofland, among all classes of European society, and from the immense mass of testimony, from all parts of the American continent, accumulated during the last ton years, in the hands of the present proprietor. The prevalence of diseases to which the German Bitters are adapted, it is with sorrow we say it, is almost universal; indeed there is scarcely a family throughout the whole extent of our country in which there cannot be found among its members that peculiar sallow and langual appearance denoting a diseased Liver, or an emaciated and entering Dyspeptic.

Then of what immense importance to this class of invalid that a curtain and reliable romedy should be placed withit their reach; one in which no baneful or injurious drug enters in the its composition; a remedy on which the patient can cely with the utmost condi the most prominent Physicians in the country, who have also added their written testimony in evidence of its great virtues. In conclusion, then, we would respectfully as all those afflicted with any of the above diseases to give the Bitters a trial, and rest assured it will never be regretted.

Bitters a trial, and rest assured it will nover be regretted. In proof of the statements above made, all are invited to read attentively the Almanac published annually by the proprietor, for Farmers and Families, containing a great number of menul receipts, in addition to the testimony in favor of the Bitters, from the most prominent and well known individuals in all parts of the Union. All Agents for the Bitters are authorized to distribute the Almanac gratuitously. Principal Office and Manufactory, 98 Arch street, Philadelphia Pa.
