

JAMES P. BARL, Mditor and Proprietor PITTSBURCH:

SATURDAY MORNING ...... FÉBRUARY 27.

STATE CONVENTION.—At a meeting of the Democratic State Committee, held at Buehler's Hotel, Harrishnre, January 19, 1858, it was Resolved, That the next Democratic State Convention be hild at Harrisburg, on the 4th day of March next. Pursuant to said resolution, Dolegates from the second Senatorial and Representative districts of the State will con-vene in the Hall of the Honeo of Representatives, at the Capitol, on THURSDAY, March 4th, 1858, at 10 o'clock, A. M., to nominate candidates for Judge of the Supreme Court and Canal Commissioner, and for the transaction of such other business as pertains to the anthority of such Conven-tion. C. R. BUCKALEW, Chairman. J. N. HUTCHNSON, Convention

tion. C. R. BUG J. N. HUTCHINSON, R. J. HALDEMAN, Secretaries.

## Reading Matter will be found on 1st Page.

A CURIOUS PARALLEL.

The parallel between many of the events in the political history of Louis Napoleon and amend or change altogether their fundamental Louis Phillippe is a most remarkable one, and This power stands upon the solid foundation if the Emperor allows his belief in fatality where our fathers placed it, and upon general to be influenced by comparisons with the past, he may well begin to believe that his mission is nearly fulfilled. No less than five attempts pressly prohibited.

were made to assassinate Louis Phillippe, and the life of Louis Napoleon has been attempted about the same number of times. On the 28th of July, 1835, on the anniversary of the revolution of 1830, as the King was review-tion of not provide a ment before 1864, and it does constitutions similar

an explosion of an "infernal machine" took place from an adjoining house, killing or wounding upwards of forty persons. The assassin was a Corsican named Fieschi, who made to it upon that ground ; and a constituwas condemned to death by the Chamber of tional philosophy altogether novel was produced Peers. The immediate consequence was a Robert J. Walker, the Governor of the territory. law almost aunihilating the freedom of the It may be found expounded at large in his subpress. The King and three of his sons escap- sequent letter of resignation, and it constitutes ed this attack uninjured. Louis Napoleon has escaped an "infernal machine," and like his predecessor, he has caused the press to be silenced and its freedom destroyed.

On the 25th of June, 1836, Louis Phillippe was shot at as he was leaving the Tuilleries in his carriage, accompanied by his queen and sister, by a young republican named Aliband, who was guillotined for the offense. No damage was done, except to the root of the carriage. Louis Napoleon has also been shot at in his carriage. On the 27th of December, 1836, the King was shot at by a workman produced named Mennier, with a pistol, the ball of which narrowly missed him, passing through proceed from them; but they would no longer the back of the vehicle in which he was be sovercign if stripped of the power of ap seated; and again on the 15th of October, 1840, pointing agents or representatives to act for them. he was again fired at with a musket, loaded Governor Walker quotes no authority for his doctrine, except himself. He say he stated it in with six balls, while reviewing the National an address in 1833, and again in a pamphlet give Guard, by a man named Darmes. The King, en to the country in 1856. It is not perceived as in former instances, already mentioned, how its reputation can strengthen it, in the ab escaped unharmed, the gun bursting in the sonce or reasons to sustain it, the most weighty assassin's hands. The attacks upon the pres- and conclusive Such authority is furnished by the constitution of the United States, and by ent Emperor have been precisely similar in that of Pennsylvania. The former was prepared their character, and like Louis Phillippe he has escaped unhurt. Monarchs, in France, are made marks of by the assassing, but rascals don't seem to know how to shoot. rote. The escapes of Napoleon are curiously con incident with those of Louis Phillippe, and the severe laws against the liberty of the cit- pursuant to the fifth article of the constitution, izens and of the press, the narrow limits to relating to amendments. And now, and herewhich the right of suffrance has been reduced, after, any amendment whatsoever may be rational other molified by Legislatures or conventions in three and other political circumstances of the pres- fourths of the States, upon being proposed by ent regime, closely resemble those which so two-thirds of both Houses of Congress, or by immediately preceded the downfall of, the king. In 1840 the cry for war resounded States. through the French army as it does now. The nation thought themselves insulted when England, Russia, Prussia and Austria settled the "Eastern question" without consulting | that on three occasions they have ratified amend France. In 1842, as if the nation had a premonition of the downfall of the king, a res gency was appointed and the wardship of the ment may be proposed by Congress, or a con vention, (under certain restrictions,) and ratified heir apparent-the young Count of Pariswas entrusted to his mother. Late arrivals f the States. The only exception from this inform us that precisely the same thing has power of amendment is, that no State can be leprived of its equal representation in the Ser been done now. The Empress Eugenie has ate. And in fact, with the exception of State been named regent, in case of the "sudden epresentation in the Senate, any and all parts taking off" of the Emperor until the infant Na the constitution may be changed, against poleon IV. is of age to assume the royal pur- the opposition and protest of Pensylvania, if other States and Congress give to it adequate ple. She has bound herself to all this by is certainly similar in many respects to what becoming a party to the Union, and cannot be they were during the latter part of Louis Philrelieved form the obligations by any refined philosophy, whether proceeding from men of lippe's reign, and with all the discordant elelistinction or not. ments which are at work in France, another Such is the character of the constitution mak Revolution would astonish no one who knows ing and amending power, as illustrated by the constitution of the United States. And when the French character. we turn to our own State the case is equally

KANSAS COMMITTEE OF THE SENATE OF PENNSYLVANIA. Messrs, Buckalew, Evans, Randali and Milplease. We have labored under the impresler, the select Committee of the Senate, to sion that so far as the bonds issued to the which was referred certain resolutions relative Pennsylvania Railroad were concerned, that

to the admission of Kansas into the Union as the bond holders were many of them desirous a state, reported, at great length, on the 24th, to exchange them for the stock of the road, bill providing for a special tex in Birmingham; the argument in favor of admitting Kansas

under the Lecompton Constitution. We make the following extract :

an exchange, which was declined for want of legal power to act in the premises. Mr. Fos-1st The objection that the constitution is unter, of our city, has introduced a bill to give changeable until 1864, is fully answered by the citations already made from Penneylvania con-stitutional bistory We may conclude that the the Commissioners the required power, but same power will exist in the people of Kansas to this does not seem to please the Philadelchange their constitution through a regular prophians. As we understand the proposed law, cess, as that exercised by our own people in changing the constitution of 1776. The cases it allows the Commissioners to make the exare alike upon the question of power, and the change if asked for, but there is no compul-

one is solved by the decision of the other. Any sion about it. If the bond holders prefer to one who accepts our Pennsylvania practice as keep the bonds, they can do so. In speaking (gular and lawful, will not doubt that, upon admission, the people of the new State of Kan-sas will have power, through a convention, to give us the following.

A bill has been introduced in the Assembly of seers in Lawrence county. By Mr. Grittman: a law, retaining in any case its republican form. this State, by Mr. Foster, of Allegheny county, banking law. in relation to the bonds issued by that county to various railroad companies in exchange for grounds of reason where a constitution provides shares in said several companies. The compafor its own amendment, the mode or time so pronies having failed to pay dividends on their vided can not be excluded, unless others are exstock from which the county could pay interest on the bonds-default, as is known, has been to the Sheriff, and being allowed to retain the same, made, and the bonds are suffering greatly in

Every presumption should be made in favor of the bopular right in legal instruments of governoredit in consequence-being quoted at about ment, and the power of changing then must re 44 a 45 per cent. of par. The bill introduced by main entire, unless expressly limited or forbidden. Mr. F authorizes the swapping back of these securities on the same terms of the original exchange of the bonds for shares, provided the tion of popular power over constitutions similar tender is made to the Commissioners of Alle-gheny county, in sums of \$50,000, This, it ing the troops, attended by a splendid suite, to those quoted by our legislature of 1789, in a case precisely similar to the present one.

2d. Upon the final adjournment of the Kansas convention without submission of the whole constrikes us, is a very one sided arrangement, and is as arbitrary as it is unjust to the holders of the bonds who came into their possession with stitution formed by it to a vote, objection was out any knowledge of the productiveness of the roads, but wholly on the ability and good faith of the county to make good their promises. The county ought to have well considered whether the bargain they were about making was a good one or not before consummating it, and auy change of its conditions should a the material point in the message of Mr. Scoreleast have the assent of all the parties in intertary Stanton to the terrotorial legislature, on the st. There would be little binding force in con-Sth of December, 1857. It was this, shortly tracts, if any one party may at pleasure nullify stated, that the people cannot make or amend a them. Had these roads proved productive, and constitution through agents, sovereignty being paid to the county 8 or 10 per cent. per annum "inalienable, indivisible, a unit, and incapable of delegation," in whole or in part. The pracwould it have quietly assented to a proposition from the companies to trade back. We thick, not, and yet that proposition would be quite as tical result arrived at by Governor and Secretary from this doctrine, was the invalidity of the Leeasonable as are the provisions of the bill ofcompton constitution, without a popular vote red by Mr. Foster. A portion of the bonds of upon the whole of it. Strange as it may seem, he city of Pittsburgh was similarly created, and all this is spread out in official documents, and constituents the leading ground of objection by

coupy a similar position in credit and confidence, do those of Allegheny county, and if the prin Governor Walker to the constitution, as stated ciple here alluded to is conceded by the Legisla by himself. Nothing more untenable and more ure and sanctioned by the Courts, there is no opposed to constitutional principles, as under nowing in what disruption of credit it may end stood and practiced in this country, could be We desire to see some clear and strong inhibition of dobts by municipal corporations for any such Doubtless, under the republican system, the purposes as that of making railroads, but trust people are sovereign, and constitutions must

According to the fullest re-Stanton for convening the territorial Legislature port we have ever seen, there are 122 Colleges in 1857, and recommending to it the passage of an act for a vote to be taken on the Lecompto n the United States, of which 113 are Protconstitution. It is directly connected with the estant, and 9 are Roman Catholic. Of the conduct of those officials, and distinctly put for Protestant Colleges, 16 are controlled by the ward by the latter as the ground upon which the vote in January upon the constitution could b Baptists, 13 by the Methodists, 8 by the Epis copalians, some 11 by the Congregationalists.

Without this, according to the admission 2 by the Unitarians, and 1 by the Universals Mr. Stanton to the Legislature, there would have been no legal pretence for the 4th of Jan ists, and the remainder by the various branchuary vote, and therefore the force assigned to es of the Presbyterians. Of all the Colleges that vote will, according to him depend altogeth upon the soundness of the objection; but as 15, or about one-eighth of the whole, are we have demonstrated that the objection is situated in New England. The free States wholly groundless-that not only is it not sus have 65 of the Colleges, and the slave states

foundation for the January vote is destroyed, and it stands without validity, or force and effect upon the constitution against which it was the administration, as against the Governor and Secretary, is vindicated, and those officers con lemned, upon the ground selected by them solves. It is indisputable that the people, it scleating a convention to form a constitution may, and do, delegate to them the whole power necessary to establish it, unless there he some Having thus shown untenable nature of the hard words, Dr. Cox would be a dead shot, but

the warmth with which the fourth of January the practice of medicine in Beloochistan there vote is pressed as an independent object to the constitution will excuse something further on are only two slight drawbacks. When the phy sician gives a dose he is expected to partake of a similar one himself, as a guarantee of his good faith : should the patient die under his the relatives, though by no menus Hatulates the success of the ocean steamers; recom hands. the right of putting him to death, unless special the United States; speaks of the correspondence be agreement has been made freeing him from all tween the Imperial Government and authorities of tion, except upon an express delegation of power esponsibilities as to the consequences; while he, Nova Scotia and Brunswick in reference to the inter should they decide on immolating him, has no colonial railway, and anticipates the carly completion

pton Constitution. He said that the respe On Friday morning, ELIZABETH, infant daughter able Free State men of Kansas took ho part in th rnard and Prudence May, aged 20 months The funeral will take place this day, (SATURDAY,) at 2 cenes of violence there. In reply to a question . Smith apswered : Admit Kansas; then you can clock, from the residence of the parents, corner of Fride withdraw the troops, and let the outlaws there cu street and Peach alley, and procoed to Cometery on Steveneach other's throats in their own way. Mr. Giddings-Will you withdraw the troops On Thursday morning, the 25th instant, Mr. ARTHUR CONNOR, aged 76 years. nse Kansas be admitted ?

His funeral will take place from the residence of his son Mr. Smith answered yes. Mr. Crawford said he would have so voted a yea John G. Connor, No 558 Liberty street, Fifth Ward, or Other Democrats responded to the same effect "ATURDAY AFTERNOON, at 2 o'clock ; the friends of the Mr. Giddings immediately gave notice of a bill amily are respectfully invited to attend, without further irecting the withdrawal of the army from Kansas

Mr. Smith-If I vote for a withdrawal of the army rill you vote for the admission of Kansas i Mr. Giddings (emphatically)--Under the Lee AR DR. M'GANE'S LIVER PILLS, FLEMING BROS. PROPRIETORS.-This great medicine has supplanted all on Constitution, never! never!

Mr. Smith, proceeding, said that there was no cau others for the cure of diseases of the Liver Its effects an r a separation of the Democracy on this question salutary and speedy, and at the same time so perfectly Mr. Harris, of Illinois, in reply to a remark appl safe, that it is not surprising it should supersede all others ble to him, said the convictions of h s own mind invented by a very distinguished physician of Virginia, who were the same now as at the last Congress. He eb practiced in a region of country in which Hepatis, or Liver ected to Mr. Smith's drawing an inference from his

Complaint, is peculiarly formidable and common, and wh speech not justified by its language. He maintained hen, as now, that the people of Kansas are not al had spent years in discovering the ingredients and propor lowed to manage their own affairs. He would d tioning their quantities, these Pills are peculiarly adapted fend their rights. He denied following any man's o every form of the disease, and pover fail to alleviate the most obstinate cases of that terrible complaint. They have end. He came here without conference with colleagues, but subsequently ascertained that all agreed justly become celebrated, and the researches of Dr. M'Lan He could not charge the position he now occupied have placed his name among the benefactors of mankind Mr. Smith contended that the people of Kan-No one having symptoms of this formidable complaint should are begging for admission, but that they are opposed be without these invaluable Pills.
