LOCAL AFFAIRS.

Western Pennsylvania Hospital. We have received the annual report of the managers of the Western Pennsylvania Hoppital for 1857. The report of the Superintendent states that during the last year eight-seven insane persons have been received into the Hospital, and thirty-six discharged. Of th se, twenty-three were restored, five have improved, two were in the same situation as when received, and six died. There are now under treatment for insanity sev-

enty four patients, of whom forty eight are males and twenty six females. Since the passage of the act of 1855, there have been admitted one hundred and forty-one patients, from ten counties and two cities of this State-of whom thirty-two were committed by the County Courts, forty six were sent by the authorities having the control of the poor, and sixty three were supported by their friends. The report of the Superintendent clearly shows the necessity for providing more extensive accommodations for the recent for the reception and care of the numerous applicants for relief, in which the Board of Managers most The report of the Finance Committee, by whom

he accounts of John Harper, Esq., Treasurer, were examined, shows that the sum of four thousand seven hundred and twenty three dollars have been expended on the Hospital buildings and improve ments during the last year, nearly the whole of which was applied to the construction of wards for of the Hospital, and providing the requisite appasix thousand soven hundred and sixty-three dolls and fifty-four cents, while the expense of food, fuel, houses, &c., was five thousand nine hundred and fifty nine dollars and forty-five cents, thus showing that the receipts of the institution have been sufficient to defray all its expenses during that period, except the salaries of the Superintendent and Assis-

During the year fewer patients than usual have been received into the medical and surgical wards. The whole number under treatment during the year was two hundred and twelve. The total number of insane patients received since April 6th, 1856, is one hundred and forty one. The districts from which they were committed are as fol-

During the year many improvements have been made in the Hospital and on the premises. A large bake oven has been constructed, the heating arrangements have been improved, and through the kindness of friends the patients have been supplied with more and better furniture, beds and bedding queensware, carpets, curtains, stands, mirrors, bird cages, pictures, &c. A library has been donated by Miss Dix, and has been increased by donations, and Sabbath exercises are regularly observed. Altogether, the institution is in a flourishing condition, and the new year has been commenced with a fair prospect of increased facilities for relieving the

A New Novel by Mrs. Southworth .- The Three Beauties. The fictions of Mrs. Emma D E. M. The volume before us does not differ in this respect from any which have preceded it. There is a force of conception, which stylings upon all the points of the character of an individual; a rare and felicitous art in shading is also or fineed, and when to this wo add the vigorous expression and brilliant coloring with which these port raitures are exhibited, we can understand the attraction of this work. The authoress seems impressed with a desire to warn against evil, and to recommend the right; while her feminine sympathy, her lux ariant fancy, while her feminine sympathy, her lux ariant fancy, her intuitive conceptions of the w r kings of the heart, and her truthfulness to nature, are powerful elements in her popularity. The s'cory of "The Three Beauties" is one of deep pathor, and absorbing interest, and, unlike too many fictions of the day, bears with it a worthy moral. We have since learned some additional particulars. The brewery was situated on Ohio street, near the Pennsylvania Canal. It was a largo, well stocked concern, and was owned by Mr. John N. Straub. The fire originated in the malt kiln, and was an accident. The machinery in the building is a total loss. Four brick dwellings adjoining the brewerty were also destroyed. Arrested for passing Counterfeit Money .- A man named John Flarnigan, was arrested by the Mayor's police yesterday, charged on oath of a man named Richardson, with passing counterfeit money. The parties all reside in Chartiers township, and it seems that Flannigan had passed a bogus half and three quarter dollars, on Mrs. Richardson. Flannigan was brought before Mayor Weaver, and will probably be committed to-day. A good deal of counterfeit money nas been circulated in that neighborhood, and it surmised that other parties are engaged in its manu acture and sale.
