MEDICATO OUTOR HOOFLAND'S CELEBRATED PREPARED BY DR. C. M. JACKSON, PHILAD'A, PA. Will effectually cure
LIVER COMPLAINT, DYSPEPSIA JAUNDICE, CREO
NIC OR NERVOUS DEBILITY, DISEASES OF THE KIDNEYS,

And all Diseases arising from a disordered Liner or tomosh,

Such as Constipation, inward Pilea, Fullness, or Blood to the Head, Acidity of the Stomach, Nausaan, Hearthura, Disgust for Food, tations, Sinking, or Fluttering at the Pit of the Stomach, Swimming of the Head, Hurried and Difficult Breathing, Fluttering at the Heart, Choking or Suffocating sensations when in a lying poeture, Dimness of Vision, 1 in the Head, Delicency of Perspiration, Yellowness of the Skin and Limbs, Pain the Side, Back, Chest, Limbs, 2c, Sudden Flushes of Heat burning in the Flesh, Constant Imaginings of svil, and great Depression of S FIRITS.

In attributing such valuable properties to this remedy, across nor unwarrantable assertion is made, but is simply stated a fact; proven undeniably and conclusively by the extraordinary curse, and cenents derived from its use, under the direction of its illustrious originator, Dr. Hoodand, among all classes of European society, and from the immense man of testimony, from all parts of the American continent, accumulated during the last ten years, in the hands of the prosent proprietor. The prevalence of discusses to which the mulated during the last ten years, in the hands of the present proprietor. The prevalence of discusses to which the German Bitters are adapted, it is with sorrow we say it, is almost universal; indeed there is scarcely a family throughout the whole extent of our country in which there cannot be lound among its members that peculiar sallow and languid appearance denoting a discussed Liver, or an emaciated and suffering Dyspeptic.

Then of what immense importance to this class of invalid that a certain and reliable remedy should be placed within their ceach; one in which no baneful or injurious drug enters into its composition; a remedy on which the patient can rely with the utmost confidence and certainty, and be assured from actual and tangible proofs that the article he is using really possesses the virtue's attributed to it. Such a remedy as "HOFLAND'S GERAIAN BITTERS." Thousands o dollars have been expended in its manufacture and diffusion throughout all parts of this continent, and the proprietor feels the greatest satisfaction in stating that there is no state, country, or even vinage, where the Medicine has been introduced, that there cannot be found numbers willing testify to its virtues. estify to its virtues. It is used constantly in the practice of a large number It is used constantly in the practice of a large number of the most prominent Physicians in the country, who have also added their written testimony in evidence of its great virtues. In conclusion, then, we would respectfully ask of all those afficied with any of the above discuss to give the Bitters a trial, and rest assured it will never be regretted. In proof of the statements above made, all are invited to road attentively the Almanac published annually by the proprietor, for Farmers and Families, containing a great number of useful receipts, in addition to the testimony in favor of the Bitters, from the most prominent and well known individuals in all parts of the Union. Dr. GEO. H. KEYSER, of all diseases the great, first cause Springs from neglect of Nature's laws. SUFFER NOT: WHEN A CURE IS GUARANTEED IN HEN A CURE IS GUARANTEED IN all stages of SECRET DISEASES, Self-Abuse, Nervous Diblity, Stricture, Gleets, Gravel, Diabries, Diseases of the Kidneys and Bladder, Mercurial Rheumatism, Scrotina, Pains in the Bones and Ankles, Diseases of the Lunge, Throat, Nose and Syes, Ulcers upon the Bodyor Limbs, Cancers, Dropay, Epileptic Fits, St. Vita's Dance, and all diseases arising from a derangement of the Sexual organs, such as networks trembling, loss of memory, loss of power, general weakness, dimness of vision with peculiar spots appearing before the eyes, loss of sight, wakefulness, dyspejata, liver diseases, cruphens upon the face, pain in the back and head, female in egularities and all improper discharges from both sexes. It matters not from what cause the disease originated, nowever long standing or obstinate the case, recovery is certain, and in a shorter time than a permanent cure can be effected by any other treatment, oven after the disease has effected by any other treatment, even after the disease has baffled the skill of eminent physicians and resisted all the r baffled the skill of eminent physicians and resisted all the r means of cure. The medicines are pleasant without odor, causing no sickness and free from mercury or balsam. During twenty years of practice, I have rescued from the jaws of death many thousands, who, in the last stages of the above mentioned diseases had been given up to die by their physicians, which warrants me in promising to the afflicted, who may place themselves under my care, a perfect and most speedy cure. Secret diseases are the greatest enemies to health, as they are the first cause of Consumption, Scretilia and many other diseases, and should be a terror to the fula and many other diseases, and should be a terror to the human family. As a permanent cure is scarcely ever effect ed, a majority of the cases falling into the hands of incom petent persons, who not only lail to cure the diseases but ruin the constitution, filling the system with mercury, which, with the disease, hastons the sufferer into a rapid Consumption. nsumption. But should the disease and the treatment not cause death and the current of life corrupted by a virus which betrays itself in Scrolula, Tetter, Ulcers, Emptions and other affec-tions of the skin, eyes, throat and lungs, entailing upon them a brief xistence of suffering and consigning them to an early grave.
SSLF ASUSE is another formidable enemy to health, for

SSEF a 60.5E is another formidable enemy to health, for nothing che in the dread catalogue of human discusses cames so destructive a drain upon the system, drawing its thou sands of victims through a few years of suffering down to an entimety grave. It destroys the nervous system, rapidly wastes away the energies of life, causes mental derangement, prevents the proper development of the system, disqualifies for marriage, society, business, and all earthly happiness, and cleaves the sufferer wretched in body and mind, predistance in Consumitation and a train of exist more to be posed to Consumption and a train of evils more to be dreaded than Jeath itself. With the fullest confidence I as-sure the unfortunate victims of Self-Abuse that a permanent and speedy cure can be effected, and with the abandonment of ruinous practices my patients can be restored to robust vigorous health.

The afflicted are chationed against the use of Patent Medicines, for there are so many ingenious snares in the columns of the public prints to catch and rob the unwary sufferers that millions have their constitutions rained by the vile compounds of quack doctors, or the equally poisonous nostrains vended 45. Dr. AMOS & SON take pleasure in announcing that they have invented a most important instrument for the cure of the above diseases. NEW REMEDIES AND QUICK CURES.

Dr. AMOS & SON may be consulted from eight o'clock in the morning until nine at night, in every stage and symptom of the Venercal Disease, Genorrheas, Gleets, Secondary Symptoms, Seminal Weakness, Impotence and Strictures of the Urethra, etc., with Inviolable secresy. compouns, comman weakness, imposence and Strictures of the Urestria, etc., with inviolable secresy. The treatment they adopt is the result of upward of thirty years' extensive and successful practice in London. The most invetentic cases of Venereal Diseases eradiated in eight or nine days, and cases of a slight nature in two or three days, at a moderate expense. The cure effected without continement or hindrance from business; also, nedes and pains in the bones and limbs, effectually eradicated.

A CURE WARRANTED.

Dr. AMOS & SON have devoted their attention exclusive by to this peculiar class of maladies, and the relief they have consequently been enabled to render to their fellow creatures fully testified and greatfully acknowledged by convales compations and others daily arriving in town from all parts of the country, for the express purpose only of consultations while their exertions have been crowned with the most signal advantages; yet from what they have experiencedinguiring into the causes of these infectious complaint in (from their most signal candidate in the contribution to that of the most day gerous and inveterated) they have always entertained the post billity of their paraboticand. (from their most sin ple condition to that of the most den-gerous and inveterated) they have always entertained the possibility of their provention and removal, and likewise in-variably found that the most horrible and mangnant forms of disease could almost always be traced to one of the foi-lowing causes:—Ignerance, neglect, or the ill effects of un-shiffed and improper treatment; therefore, br. AMOS & SON have succeeded in discovering, in the selection of their remedies, a safe, effectual, and cautious course; omitting all combination of remedies which bear an equivocal character, as well as those whose premature or injudicious application hight be productive of bad consequences in the hands of private individuals. In short, the laudible send of their re-medies is the lessening of a great mass of human miscry by

private individuals. In short, the landible end of their remedies is the lessening of a great mass of human miscry by the atteniation, relief and prevention of those grievoes affictions that are in reality the secret fee of life, and which, while they so extremely surround us, call about for our skill and interference for their extermination.
