TRACY DELORME, the great ourer of CONSUMPTION, was for several years so badly affileted by Dyspepsia that for a part of the time he was confined to his bel. He was evolutially cired by a pro-scription furnished by a young chirvoyant girl. This pre-toription, given by a user child while in a state of transce, has cured everybody who has taken it, never having failed once. It is equally as sure in cases of Firsts of Drepress. The ingredients may be found in any drug store. I will send this valuable prescription to any person on the receipt of one stamp to pay postage. Addrees DR.
