SELF ABUSE is another formidable enomy to health, for nothing else in the dread cotalegue of human disenses camos so destructive a dram upon the system, drawing its thon-sands of victims through a few years of suffering down to an untimely grave. It destroys the nervous system, rapidly wastes away the energies of life, causes montal derangement, prevents the proper development of the system, disqualifies tor marinage, society, business, and all earthly happiness, and leaves the sufferer wretched in body and mind, predis-posed to Consumption and a train of evils more to be droaded than death itself.
