What he Fin mer Says : A have writer says that the various species of vermin are

multiplying at a learful rate throughout the land. Their ravages have become a matter of serious dread." A Post

elate, and proclaims his own prowess with a triumphant chuckle. But there is no time to be lost. The foe is advancing sgain. He is not a whit intimidated by the drops of blood he has lost, his torn thigh, or his ripped up side. No, Rats, Reaches, Bugs, Insects, &c. he will to the work again, with a right good-will and in fearless earnest. Another jump, and again the spurs are stuck, and again the beaks snap at the eyes madly. The victor of a moment before has lost his advantage, and retires a few paces with one eve torn from its sockets and dangling by a tendon on his check. It is cruel sport, truly; but we round the table are too much accustomed to it to

of the moment as he stands on the battle-field

think much of that, and again the room rings with shouts of laughter and uproarious encouragement to the poor little warrior that has lost his eye. He wants no encouragement, however. in a moment the fight has been renewed, if possible with more savage fierceness than ever; and not till one of the combatants drops dead upon the table, or dying from loss of blood, is it concluded-the victor often without an eye, and left a cripple for life; fortunate indeed if

he retain the use of one leg So that the ounqueror is often carried off by the admiring servants, to be petted for his prowess and to die. The wine circulates again at the table, which has been wiped clean ; the king is in great vein,

and insists upon every one taking snuff with him, which all pretended to do. The female attendants blow up the fire in his hookah, which s placed on the floor behind him, and he puffs and puffs again in joyous exhilaration, laughing all the while at the clever little devil that picked out his adversary's eye so neatly, and then got

the more; until his majesty can give no more orders, and the revel is at an end:

A beautiful description of antelope, small and delicately formed, is caught at the base of the king being seated in a balcony or gallery to witness the contest, and his courtiers around horned heroes approached each other, their

Crossing their antlors, and sparring with them vigorously, the two warriors now advanced, now retreated, as they gained or lost some little ad-vantage. At length, after much twining and intertwining, after much manouvring and cautious setting to each other, the antiers were locked finally tegether; and then came the eager straining of every muscle and every tendon, the anxious trial of strength; which often ended in the death of one or the other. With hind quarters well braced up for a vigorous shove, head lowered, and feet firmly fized against the ground,

would the two combatants push and resist, and push again pertinaciously. One gains a little advantage at one moment and drives his adversary a few paces back, only

to lose it at another, and to be driven back in FOR BUYING CHEAP CLOTHING. his turn. And yet, with every muscle strung to its utmost tension, with every veid swelling i the eager desire for victory, not a leg was raised that was not gracefully set down again, not a movement that did not indicate elegant propor
