question before us?

tutious in their own way?"

Mr. Stokes, resuming, I mean to assert that the majority of the Senate at that time, and the stitu ion. majority of this body now have reversed posi-

tions upon this question Mr. Hughes. "Is not the gentleman mistaken?" I may be mistaken in the application. But I that the matter of settling their own institutions 4,50 5,75 6,00 5,00 7,00 5,00 must confess that to my mind the idea that their belouge to themselves. In this, they all most nay not be an unenviable position for the major that Constitution, by the action of Congress, a 4 60 can escape from it.

6,00 3,00 Sir, after going home, I considered the subject nvolved in that great discussion was a very seof ongressional intervention and usurnation rious matter; not because it involved any very In the face of so plain an expression of the pop considerable number of persons, but because it ular will, ought Congress to impose the provisions couched the great right of the people to make of that instrument upon the people of Kansa the laws under which they lived. Although long retired from politics, I did not rest; I felt myself be left exclusively to the people, untrammelled impelled to take the stump and explain to my in their action by fraud, force, or intervention. ellow-citizens the nature of our Government, at the very bottom of which lies the great principle

he has a right to govern himself.

erty in slaves. I had not yet read myself out of the par-Mr. Hughes, (interrupting,) I ask the quesy, [laughter,] and when in that city I did not tion of the gentleman, whether, under any conuear him, just because I did not choose to go near him, and thus add to the number of those stitutional form of government in these United States, there is any right of power granted to take private property for public use? Now, sir, let us look at this matter in a quiet.

Mr. Stokes. The gentleman is welcome to my alm, and dispassionate manner, (and, gentleanswer.

men, you will, I trust, understand me to speak in It is a distinction which has been drawn in the most perfect kindness, and with the utmost every State in the Union where slavery has been spect;) and parmit me to say, with all respect abolished. Sir, there is a difference in the right or the gentleman, from Lancaster, I said nothof property in human beings; and in Pennsylng of any human being at which he should take vania that is the case, she having passed laws offence. Well, then, sir, what is the practical for the graudual abolition of slavery; and so in every State where they have abolished slavery, Shall Kansas be admitted into the Union in except in Massachusetts. Sir, I agree that the cordance with the will of the majority of her general proposition of the gentleman from Schuylvill (Mr. Hughes) is correct ; but I deny cople, or shall she be admitted contrary to their will? Shall the principles of the Kansas Ne-braska act be sustained? Does any gentleman its correctness as to a particular species of property. But, I say, it is a denial to Kansas of the present pretend to say that the Lecompton Conright to do what we did, and what every free itution embodies the expression of that will, or State of the Union has done-to pass laws for that it conforms to the declaration that "the peo the emancipation of slaves.

ple shall be left free to form their own institu Sir, I wish to call your attention to another point, and then I will pass as rapidly as I can. Now, my learned friend from Schuylkill has The thing is simply this: The Lecompton Conasked a question which is anwered fully by the history of Pennsylvania, and of the Confederother hand, more than 12,000 votes were given acy. There never has been an alteration of the in January last, protesting against the admis-Constitution in this State, or any other of the sich of the Territory upon the basis of that Con-Union - nor has any Territory been formed into a State and admitted into the Union without the Now, the fact is, that the 2,500 persons of assent fairly expressed of an overwhelmingly that Territory who say they wish to come into powerful majority of the inhabitants. The can-

the Union, and the 12,000 who do not, all declare | dor of my friend will admit that fact. Mr. Hughes, (interrupting.) I would ask the gentleman if the amendments to the Constitution positions are identical is incomprehensible. It neartily concur. To seek, then, to thrust into of Pennsylvania had not provailed by a vote of less than one third of her legal voters ? Was ity here to occupy, but I cannot see how they provision which would be nugatory from the be- not that such a majority of votes as is necessary by political arrangements of this State to alter or smend its fundamental law? inning-and all the people of the Territory would so regard it-would be a flagrant example

Mr. Stokes replied, I would ask if the majori-7 did not sustain them?

Mr. Hughes. A majority of the people of Kansas sanctioned the Lecompton Constitution just in the same way. as their organic law? The whole thing should

Mr. Stokes. Let me tell you that if the amendments to the Constitution last fall had Now, sir, this proposition contain in itself its been supported by 2,500 votes, and 12,000 votes own argument. It is a plain and simple matter had been cast against them, then the gentleman that "man is capable of self-government"-that leaving it in that way, for, after all, these should would have found a parallel case. I take issue the has a right to govern himself. The assertion of this principle by the Democra. when you so claborate and complicate them that for whom no man entertains a higher respect tic party of Penusylvania, and its denial by the they are not understood by the whole people, you than I, but I take issue also with the law report-
