In attributing such valuable properties to this retrictly, an real or unwarrantable execution is made, but is simply stated a fact; proven undeniably and conclusively by the extraordinary cures, and benefits derived from its use, under the direction of its illustrious originator, Dr. Hoofiand, among all classes of European society, and from the immense mass of testimony, from all parts of the American continent; accumulated during the last ten years, in the hands of the present proprietor. The prevalence of diseases to which this German Bitters are adapted, it is with sorrow we say it, is almost universal; indeed there is scarcely a family throughout the whole extent of our country in which there cannot be found among its members that peculiar salious and langual appearance denoting a diseased Liver, or an emaciated and suffering Dyspeptic.

Then of what immense importance to this class of invalid that a certain and reliable remedy should so placed withit Then of what immones importance to this crass of invalidation that a certain and reliable remarky should be placed within their reach; one in which no baneful or injurious drug exters into its composition; a remedy on which the patient can rely with the utmost confidence and certainty, and be assured from actual and tangible proofs that the article he is using tally reassured with the article he is using the proofs that the article he is used to be a subject to the proofs that the article he is used to be a subject to the proofs that the article he is using the proofs that the article he is used to be a subject to the proofs that the article he is used to be a subject to the proofs that the proofs tha dollars have been expended in its manufacture and diffusion throughout all parts of this continent, and the propriets feels the greatest satisfaction in stating that there is nextee, county, or even village, where the Aledicine has been introduced, that there cannot be found numbers willing itroduced, thus these substitutes of a targo number of its used constantly in the practice of a targo number of the country, who has the most prominent Physicians in the country, who have also added their written testimony in evidence of its gree virtues. In conclusion, then, we would respectfully sake all those afflicted with any of the above discusses to give the all those afflicted with any of the above discusses to give the Bitters a trial, and rest nesured it will never be regretted. In proof of the statements above made, all are invited to read attentively the Almanac published annually by the proprietor, for Farmers and Families, containing a great unus per of assful receipts, in addition to the testimony in favor of the Bitters, from the most prominent and well known individuals in all parts of the Union. All Agents for the Bitters are authorized to distribute the Almanac gratuitously. Principal Office and Manufactory, 98 Arch street, Philadelphia, Pa.
