In short, the laudible end of their remedies is the lessening of a great mass of human misery by the ationiation, relief and provention of those grievous artifictions that are in reality the secret fee of life, and which, while they so extremely surround us, call aloud for our skill and interference for their extermination.

SEMINAL WEAKNESS.

Dr. Brown's remedies for this alarming trouble, brought Of all diseases the great, first cause Springs from neglect of Nature's laws. SUFFER NOT HEN A CURE IS GUARANTEED IN

all stages of SECRET DISEASES, Self-Abuse, Nervous Debility, Strictures, Glocis, Gravel, Dishries, Diseases of the Kidneys and Pladder, Mercurial Rheumatism, scrofuss, Pains in the Boncs and Ankles, Diseases of the Lung., Throat, Nose and Eyes, Ulcers upon the Body or Limbs, Cancers, Dropay, Epileptic Fits, St. Vita's Dance, and all diseases arising from a derangement of the Sexual Organs, such as nervous trembling, loss of memory, loss of prover, general weakness, dimness of vision with peculiar spots appear in before the eyes, loss of sight, wakefulness, dyspepsin, liver diseases, cruptions upon the face, pain in the back and head, female irregularities and all improper discharges from both sexes. It matters not from what cause the disease originated, however long standing or obstinate the case, recovery is certain, and in a shorter time than a permanent cure can be effected by any other treatment, even after the disease has baffled the skill of eminent physicians and recisted all the r means of cure. The medicines are pleasant without coor, causing no sickness and free from mercury or balsam. During twenty years of practice, I have rescued from the jaws of death many thousands, who, in the last stages of the above mentioned diseases had been given up to die by their physicians, which warrants me in promising to the afficted, who may place themselves under my care, a perfect and most speedy cure. Secret diseases are the greatest enemiate to health, as they are the first cause of Consumption, Scrotials and many other diseases, and should be a terror to the human family. As a permanent cure is scarcely ever offect. WHEN A CURE IS GUARANTEED IN to health, as they are the fractanse of consumption, scrudin and many other discuses, and should be a terror to the human family. As a permanent cure is scarcely ever effected, a majority of the cases falling into the hands of incompetent persons, who not only fail to cure the diseases but ruin the constitution, filling the system with moreory, which, with the disease, hastons the sufferer into a rapid Consumption. which, with the discase, nastons the sunerer into a rapid Consumption.

But should the discase and the treatment not cause death speedily, and the victim marries, the discase is entailed upon the children, who are born with feeble constitutions, and the current of life corrupted by a virus which betrayitself in Scrofula, Tetter, Ulcers, Eruptions and other aftections of the skin, eyes, throat and lungs, entailing aporthem a brief vristence of suffering and consigning them than early grave. them a brief existence of suffering and consigning them to an early grave.

SELF ABUSE is another formidable enemy to health, for nothing else in the dread catalogue of human diseases caused so destructive a drain upon the system, drawing its thousands of victims through a few years of suffering down to an antimely grave. It destroys the nervous system, rapidly wastes away the energies of life, causes montal derangement, prevents the proper development of the system, disqualifies for marriage, society, business, and all earthly happiness and leaves the sufferer wretched in body and mind, predisposed to Consumption and a train of evils more to be dreaded than death itself. With the fullest confidence I assure the unfortunate victims of Self-Abuse that a permanent and speedy cure can be effected, and with the abandonment of ruinous practices my patients can be rectored to rebust, vigorous health.

The afflicted are cautioned against the use of Patent Medicines, for there are so many ingenious snares in the columns The afflicted are cautioned against the use of Patent Medicines, for there are so many ingenious snares in the columns of the public prints to catch and rob the unwary sufferce that millions have their constitutions rained by the viec compounds of quack doctors, or the equally poisonous nearms vended as "Patent Medicines." I have carefully analysed many of these called Patent Medicines and find that nearly all of them contain Corrosive Sublimate, which is one of the strongest propurations of mercury and a dentity poison, which instead of curing the disease disables the system for life.

Three-fourths of the patent nostrums now in use are out up by unprincipled and ignorant persons, who do not und stand even the alphabet of the materia medica, and are easily as destitute of any knowledge of the human system, in ing one object only in view, and that to make money regardless of consequences.

Irregularities and all diseases of makes and females treated on principles established by twenty years of practice, and sanctioned by thousands of the most romarkable cures.
