in attributing such valuable properties to this remedy, no rash or unwarrantable assertion is made, but is simply stated a fact; proven undensibly, and conclusively by the extraordinary curse, and concents derived from its use, under the direction of its illustrious originator, Dr. Hoofisand, among all classes of European society, and from the immense meas of testinony, from all parts of the American continent, accumulated during the last ten years, in the hands of the preeent proprietor. The prevalence of diseases to which the German Bitters are adapted, it is with sorrow we say it, is almost universal; indeed there is scarcely a family throughout the whole extent of our country in which there cannot be found among its members that poculiar sallow and languish appearance denoting a diseased Liver, or an ennetated and andering Dyspeptic.

Dr. AMOS & SON, in order to satisfy the most skeptic Dr. AMOS & SON, in order to satisfy the most skeptical as to the merits of their instrument, pledge themselves that in any instance where they may prove unsatisfactory after fair trial, the money will be refunded by returning the instrument in good order.

Persons wishing the above useful Instrument will observe that the price, with the accompanying directions, securely packed and sent by express, is ten dollars.

Dr. AMOS & SON may be consulted from eight o'clock in the morning until nine at night, in every stage and symptom of the Venercal Disease, Gonorrhea, Gleets, Secondary symptoms, Seminal Weakness, Impotence and Strictures of the Urethra, etc., with Inviolable secresy. The treatment

symptoms, Seminal Weakness, Impotence and Strictures of the Urethra, etc., with inviolable secresy. The treatment they adopt is the result of upward of thirty years' extensive and successful practice in London. The most invoterate cases of Venereal Diseases craduated in eight or nine days, and cases of a slight nature in two or three days, at a moderate expense. The cure effected without confinement or hindrance from business; also, nodes and pains in the bones and limbs, effectually eradicated.

A CURE WAERANTED.

Dr. AMOS & SON have devoted their attention exclusive by to this peculiar class of maladies, and the relief they have consequently been enabled to render to their fellow-creature a fully testified and greatfully acknowledged by convalence outpatients and others daily arriving in town from all parts of the country, for the express purpose only or consultations while their exertions have been crowned with the most signal advantages; yet from what they have experienced inquiring into the causes of these infectious complaint (from their most simple condition to that of the most dan gerous and inveterated) they have always entertained the possibility of their prevention and removal, and likewise invariably found that the most horrible and mangnant forms of discase could almost always be traced to one of the following causes:—Ignorance, Teglect, or the ill effects of surskifful and improper treatment; therefore, Dr. Ahlos & SON have successed in discovering, in the selection of their remedies, a safe, effectual, and cautious course; omitting all combination of remedies when bear an equivocal character, as well as those whose premature or injudicious application might be productive of bad consequences in the hands of private individuals. In short, the laudible end of their remedies is the leasning of a great mass of human misary by the attentation, relief and prevention of those grievons arbitetions that are in relity the secret foe of life, and which, while they so extremely curround us, call adoud for our
