What the Farmer Says: A late writer says that the various species of vermin are outliplying at a fearful rate throughout the land. Their ratages have become a matter of serious dread." A Post master in Illinois, writing to "Costar's" Depot, says: "The country is literally overrun with them, (rata, mice, &c.") Another, from the same same State, says: "The rats posi-tively gnaw the halters off my horses while in the stable." An other orrespondent remarks: "They (the rate) are evo-rywhore-in the house, the barn, and under overy stump in the field." In the South it is still worse. A late order from the Navy Yard at Mobile was for thirty pounds of the field Exterminator alone.; unds of the Rat Exterminator alone. What the People tay: NEW YORK, April 12, 1856 New York, April 12, 1000E Dear Sir:--Having a great many rate around mo stable and shop, I thought I would try your Rat Exterminator, and bought one of your breas, and fixed it according to your directions. The next moraling I found over one hundred and fifty dead rats. I take pleasure in asying that it will do more than you say it will. I have also tried it on steam-boats, and satisfied them that it is the greatest thing of the age. J. S. UNDERHILL, No, 480 10th street. CAVE, Ill. June 21st, 1867. Dear Sir, -- My brother, J. W. M'Orcery, c. M., purchased a box of your fat Exterminator, and found it to be wha you recommended it to be, a perico. Rat destroyer. I here with inclose \$5 for nore of it. Yours, &c., NEW YORK, Dec. 17th, 1857. Si7,--\* • All this summer I have seen troubled wi Reaches and Mios. I was actually ashamed of the house, for the Roaches ware everywhere, and I don't know what I should have done by this time. I purchased a box of your Exterminator and tried it, and in one week there was not a Exterminator and tried it, and in one were there were Exterminator and tried it, and in one were there were Bonch or Mouse in the house. JOHN B. GIVENS, No. 94 Elm street. Moorr's NAT WORES, Ohio, June 8, 1858. Dear Sir, --I have used it (the Rat, Reach, &o., Extermi-nator) three inghts, and it is making a sac have among the Rat tribe. Rat tribe.

COMPANY, OF PHILADELPHIA. DIRATORS-Charles W. Bancher, Thomas Hart, Toblas Wagner, Samuel Grant, Jacob R. Smith, Geo. W. Richards,

In him on in life as far as I can amount, while you might have shared in propo In the mean time Edmund did his utmost to tion to your years. But you could not relish an render himself pleasing to her, and once or twice apprenticeship-you wanted to jump at fortune was convinced he would win her. He devoted all of a sudden; and now I suppose you are nimself with his whole energy to the task; con- come to join with me, after the long toil, humilisidered no labor too great; and often, after a stion, and imprisonment are over -and to reap long day's work at the counting house, would sit, a little of their good fruita."

up half or all the night, bulancing and squaring "Oh, no, no, no; I merely come to see if you different portions of the business, to please her, were well."

travelers, or making up abstracts of the state of deserted me-I was persecuted, and you disowned the coal and iron markets at different periods, to me. Now, I am independent-the absolute ruler guide her speculations. And when she saw the | of ten thousand strong men, who love and impale cheek and lustrous eye, produced as much plicitly obey me, for they know that the sole moby this labor as by having the all exciting thought tive of all my actionate the only thing I have making a fortune continually before the mind, striven for-is their welfare."

she laid it to his consuming passion, and, while | Here Edmund smiled 'so significantly, at the she pitisd him, regretted that he was of a rank same time with so much contemptuousness, at so low. But she did not love him-no, as yet his brother's attempt to palm a canting lie upon she did not-he was merely the favorite servant him, that the latter was altogether put out, and the lurid indication of a blush rose over his of the firm of Hasteleigh & Co. She became the great toast of the district-the swarthy physiognomy. In a moment he recumed, very pet of its society-the cynosure of all ball more londly, and in a tone that claimed not to be rooms, and the like places of resort. Her name trifled with:

and fortune were the conversation of all the "I can make the prondest of our old tyrants young men who thought their rank (they all sneak and bund and smile though they wish me thought their persons) offered pretensions to her in ----, for I could break half of them within a favor. Moreover, her habits and disposition fortnight. I have money, influence, and, in a were a frequent theme of discourse; and those measure, fame, and can command all happiness; who were wise enough to see themselves alto- you are poor, disappointed, condidered and gether shut out from any chance of her were treated as an amusing inferior-a parasito-in pretty well agreed upon this point, that whoever that society which I enter on terms of equality. got her would get something to keep his wits in | You had a schema of your owa, which has broken

exercise without any mistake. beneath you like a rotten staff, and you come to Edmund was not surprised that with all her make a claim upon me; you, who have never alent she should thus take delight in pursuits so done me a particle of good, but mech harm, in rivolous in the eyes of these incapable of en-return for all the benefits you have had from oying them. He could enjoy them himself, and me."

unted for that time when his money and in- "You are wrong, Mark; I have done you good luence would allow him to take his natural place | negatively; for at any time when you were a the bright circle wherein she took such pleasure | building this great scientific combination system this circle was that of the commercial and mining might have betraved you to the law, exploded aristocracy of a district; there was not a lord the whole fabric, and had you banished, or mixed within it, save at election time, and the worse. You recollect the nob-shooting business. landed gentry affected to keep aloof from it This would have been my duty to my employers; Probably the cause of this was that few of them | and, besides great immediate reward, might have had money enough to keep up in it the consider- | led to the ultimate establishment of my fortune. How do you know that when one scheme has, as ation they deem their due But shortly there appeared in this circle a you say, miserably failed, I may not be tempted

lass of persons who probably are the poorest, to try the other, even so late as now ?" the worst educated, the most polished, and most A deadly pallor, and an expression which, privileged of all orders of people sbove the rank coupled with it, made Mars's counterance, for-of mere bodily labor. We mean military officers bidding at the best of times, positively terrific, -not generals, colonels, and other muster offi- preceded his reply. He say oalmly the while, cers; tut the majors, captains, lieutenants, with the top of his pen in his mouth, as if subensigns, Sc., who tramp with their regiments, duing by effort his emotion At length he said, and may therefore be styled the journey 14 If I thought you would, I would take immeasen officers. These personages, in all provincial diate steps to prevent you, and you know what towns, have an entre at once unquestioned into they would be;"-here he laughed a short, harsh, the wealthiest circles; and a poor ensign, whuse grating "ha, ha!" which had a sort of interfather's pay could not afford him more education | rogative sound, as his dark gray eye flashed upon than he could pick up about the barracks-who his brother's, searching as it were his very soul has some six or seven shillings a day, and out of WBut as I know you dure not, brother-so-' hat must find a glittering uniform and a man to here, stretching his arm, he starg the bell-" I keep it clean-will find himself more courted wish you a good morning; I will do nothing for than the university-educated head of a mercantile you Grey, show Mr. Vasper out." And thus the brothers parted:

house who sends a dozen men through the kingion to puff his goods, giving each of them four r five times his rival's income. How this comes we need not delay our story to investigate suffice it to say that the regiment that had for a year or so been at the barracks of the large town which the principal business of Hasteleigh 8 Co. was transacted, marched away one fine morning; to the great grief of all the young ladies, which was changed to smiles, when, on the fol owing morning, another regiment, with young fficers, marched in.

In this second regiment was Lieutenant Peeche young man of about twenty five years of age, emarkable for a tall and very fine figure, (partly be gift of the toilor,) handsome features, a good complexion, rather stolid blue eyes, a receding forenead, and a beautiful head of hair. His con acctions wore as follows :- His father was a icutenant-colonel on helf pay, and with about wo thousand pounds in the funds; and on the wadnes of these he had to live himself, and eduate and provide for six cons. The two eldest

them he managed to get into the army, the next into the navy, leaving them to shift for themselves when there, while the fourth had to struggle into the church, and with much sdo get a NSTRUCTION GIVEN IN SINGLE gle into the church, and with much sdo get a situation as chaplain to a traveling nobleman, whose means required him to reside abroad, while his religious predilections needed the ser rice of the Church of Eagland. The fifth son, having no admiration for pride and poverty, backs away at a tangent and opened a hat-apop L. A. Mackey, A. White, James Armsfronz, James Armsfronz, James Armsfronz, James Armsfronz, James Armsfronz, James Quiggle, dezitit THE FRANKLIN FIRE INSURANCE COMPANY, OF PHILADELPHIA. FIRE INSURANCE and was considered, both personally and men DELPHIA. : cher. Thomas Hart, Tellas R. Smith, Goo, W. Richards, Sorie, David & Browney, More s. N. BARGEER, President.
