In attributing such valuable properties to this remedy, no
rash or unwarrantable assertion is made, but is simply stated
a fact; proven undeniably and conclusively by the extraordinary curea, and benefits derived from its use; under the direction of its illustricus originator, Dr. Hoofland, among all
classes of Suropean society, and from the immense mass of
testimony, from all parts of the American continent, scenmulated during the last ten years, in the hands of the preent proprietor. The prevalence of diseases to which tha
German Bitters are adapted, it is with sorrow we say it, is almost universal; indeed there is accracyly a family throughout
the whole extent of our country in which there cannot be
found among its members that peculiar sellow and langual
appearance denoting a diseased Liver, or an emaciated and
antering Dyspeptic.

Then of what immense importance to this class of invalid
that a cartain and reliable remedy should be placed with
their reach; one in which no baneful or injurious drug enters into its composition; a remedy on which the patient can

In conclusion, then, we would respectfully ask of all those afflicted with any of the above diseases to give the Bitters a trial, and rost assured it will never be regretted in proof of the statements above made, all are lavited to read attentively the Almanac published annually by the proprietor, for farmers and Families, containing a great number of the Bitters, from the most prominent and well known individuals in all parts of the Union.
