In attributing such valuable properties to this remedy, no rash or unwarrantable assertion is made, but is simply stated a fact; proven undeniably and conclusively by the extraordinary cares, and benefits derived from its use, under the direction of its illustrious originator, Dr. Hoofand, among all classes of European society, and from the immense mass of testimony, from all parts of the American continent, accumulated during the last ten years, in the hands of the present proprietor. The prevalence of diseases to which the German Bitters are adapted, it is with sorrow we say it, is almost universal; indeed there is acarcely a family throughout the whole extent of our country in which there cannot be found among its members that peculiar sailow and languid appearance denoting a diseased Liver, or an unaciated and suffering Dyspeptic.

Then of what immense importance to this class of invalid that a certain and reliable remedy ahould be placed withit their reach; one in which no baneful or injurious drug enters into its composition; a remedy on which the patient carrely with the utmost confidence and certainty, and be assured from acteal and tangible proofs that the article he is teally possesses the virtues attributed to it. as "HOOFLAND'S GERMAN BITTERS." Thousands of dollars have been expended in its manufacture and diffusion throughout all parts of this continent, and the proprietor feels the greatest satisfaction in stating that there is no state, county, or even village, where the Medicine has been introduced, that there cannot be found numbers willing testify to its virtues.

It is used constantly in the practice of a large number of the most prominent Physicians in the country, who have also added their written testimony in evidence of its great virtues. In conclusion, then, we would respectfully ask of all those afflicted with any of the above diseases to give the Bitters at trial, and rest assured its will never he recentled. all those afflicted with any of the above diseases to give the Bitters a trial, and rest assured jit will never be regretted. In proof of the statements above made, all are invited to read attentively the Almanac published annually by the proprietor, for Farmers and Families, containing ja great number of useful receipts, in addition to the testimony in favor of the Bitters, from the most prominent and well known in dividuals in all parts of the Union. All Agents for the Bitters are authorized to distribute the Almanac gratuitously, Principal Office and Manufactory, 96 Arch street, Philadelphia, Pa. phia, Pa.
