A GOOD COMPARISON.—The Rev. Wm Pontate well known Methodist elergyman, residing at N the following amosing but apt comparison bet wacn D- Mc. Line's ce'ebrated Vermifuge, prepared by Fleming Ryon, Pitt-burgh, Pa., and a forret : "A fe-ret, when placed at the entrance of a rat-hole, enters the aperture, travels along the passage, selzes upon the rat, exterminates his existence, and draws the animal's Cofunct carcass to the light. And in like manner have I found Dr. M'Lana's American Vermittude to operate upon WORMS, those dreadful and dangerous tormentors of chitdien. This remedy, like the ferret, outers the sperture of the mouth, travels down the gullet, hunts round the stomach, lays hold of the worms, shakes the life out of the reptiles, sweeps clean their den, and carries their carcasses clear out of the system. This, at least, has been the effect of the Ve-mifuge upon my children." A neighbor of Mr. Roulatt, Mr. John Briggs, adopts the

simile of the reverend certifier, thus both giving their most unequivocal approval of this great specific, after having witnessed its operation upon their own children. Let others try it, and be satisfied. Purchasers will be careful to ask for DR. M'LANE'S CELEBRATED VERMIFUGE, manufactured by FLEMING BROS. of Pittsburgh, Pa. All other Vermifuges in com barison are worthless. Dr. M'Lane's genuiue Vermifuge also his celebrated Liver Pills, can now be had at all respectable drug stores.
