MEW TREATMENT. Private and Confidential Medical Advice! A T THE BUFFALO PRIVATE HOSPI-The afflicted are cautioned against the are of Patent Mediches, for there are so many ingenious snares in the colimns of the public prints to catch and rob the unwary suffered that millions have their constitutions ruled by the vile compounds of quagic declars, or the equally poisonous nestrains vended as "Patent Medicines." I have carefully analysed many of these called Patent Medicines and find that nearly all of them contain Cerrosive Sublimate, which is one of the strongest proparations of moreury and a deadly poison, which instead of curing the disease disables the system for life.

Three-fourths of the patent nestrains now in use are put up by unprincipled and known to the strongest. It has been subjected to a test by the most of the patent nestrains now in use are put up by unprincipled and known to the curious forms.

By, AMOS & SON take pleasure in announcing that they have invented a most important a treatment for the cure of the above discases. It has been subjected to a test by the most eminent rhysicians in London, Paris, Philadelphia and New York; it has been declared the only useful instrument over yet invented, for the cure of Seminal Weakness, or any disease of the genital organs, caused by the secret habits of youth.

Dr. Amos & Son, in order to satisfy the most skeptical as to the merits of their instrument, pledge themselves that

> gerous and inveterated) they have always entertained the possibility of their prevention and removal, and likewise invariably found that the most horrible and mangnant forms of discase could almost always be traced to one of the following causes:—Ignorance, neglect, or the ill effects of unskilful and improper treatment; therefore, Dr. AMOS-& SON have succeeded in discovering, in the selection of their remedies, a safe, effectual, and cautions course; omitting all combination of remedies which bear affectual endications course the analysis of the combination of remedies which bear affectual endicious application, might be productly of the consequences in the hands of private individuals. In short the laudible end of their remedies is the lessening of a great mass of human misery by the atteniation, relief and prevention of those grievons are dictions that are in reality the secret fee of life, and which, while they so extremely surround us, call aloud for our skill and interference for their extermination.
