LOCAL AFFAIRS

Burglars' Implements. Yesterday morning a package was found concealed in the water spout of the shoe store of Joseph H. Borland, on Market street. On opening it, it was found to contain a bunch of small skeleton keys, a paper containing a white powder of some kind, and four or five cancelled checks bearing the signature of James A. Fetzer, a produce merchant on Water street. The whole collection was taken to the Mayor's slice, and the powder was sent to an eminent chemist, who, n examination, pronounced it sulphate of morphice. Mr. Fetzer was sent for, who recognized his signature on the checks, but could give no clue as to how they had been taken rom his premises. It is probable they have been stele s some one from his store, as they were kept in a lor on 56 Wood street, Pittsburgh, Pa. p of thosafe, and the thieves, finding them worthless, have disposed of them by inting them "up a spout". This discovery at this time may protect Mr. F. from loss hereafter

by causing bim to make his business h nao usors secur The keys seem to have been made for unlawful purp so our of them seems to have been made to unlock a safe. The police are on the alert, and may learn something concerning the matter. Violating a City Ordinance. Mr. Knox, a hatter, doing business near the corner of BOOTS.

Market and Liberty streets, appeared at the Mayor's office yesterday morning and made information against his next door neighbor, Mr. James Robb, for violating one of the or dinances of the city, in extending a sign across the side-walk SE- WHY WILL YOU SUFPER ?- Read the testimony from the house to the curb-stone, interfering with his business. He was amusing bimself t. winging on a coal car which was in motion, when he ice his hold, fell in front of the wheels, and was crushed to

parties owning them.

A sad accident occurred at Callensburg, Clarion count n Wednesday last. A ratt was passing under the bridge at that place, who a it struck the pier, and a piece of timber foll from the bridge and struck a man on the raft by the name of Stroup, from Mill Creek township. The timber struck him on the head, and it is hardly possible for him to

A man named Hays, of Forest county, was drowned in the Barion river, opposite Clarion, on Wednesday last. He was n a boat, and while passing a rock, attempted to jump on It from the boat, when he missed his foothold and fell into the river. He cried for assistance, but although several persons were in sight no one was near enough to help him, and he was drowned. The body was not recovered.

Miss Cushman's First Night.—The engagement of th anapproachable Charlotte Cushman, to appear at the establishment of Miss Kimberly, is now placed beyond a doubt by the appearance of announce bills fixing to-morrow night as the occasion of her initiatory performance. It seemed such an extravogant supposition when first mentioned, that people imagined it nothing but a mythical rumor, and it ha only been within a day or two that they began to give it dence. The fame of Miss Cushman is so world-wide, her genius is known to be of such a rare and superabundant kind, and the circumstance that this is her farewell engage ment, warrant us in looking forward to a dramatic reviva such as Pittsburgh has seldom known. Miss Kimberty herself and Mr. J. E M'Donouvh, a rising actor of great repute lend their valuable aid to Miss Cushman, to that her stupe hous efforts will lose nothing from the want of adsount support. Among the company we perceive the name of the harming Miss Rose Oline, whose vocal warblings and piment manner have won for her many admirers. The is a valuable addition to the company.

Horse Thievas Abbor. A man named Scott, who has sen boarding at the Red Lion Hotel, on St. Clair street, on acturday night, massed a suit of clothing, valued at thirtyfive dollars. Another gentleman boarding at the same iouse stated that he had lost some forty or fifty dollars in ioney and some clathing. Yesterday morning, it was astrained that the latter person had not lost anything, and he was accessed on suspicion of taking Mr. Scatt's clothing. He protested his innoconce, and on being examined and he vidence of the fact appearing, he was discharged. He is and to be a young man of respectability, and he may at tribute his arrest to his own improdence in conversation. it is stated that he offered to pay Mr Scott the value of his tothing, which around su pirion. AN IMPROVEMENT - Yesterday morning there was a amply watch house-not a single person having been atcested on Sunday night. This quiet state of affairs prebrought up on Monday morning. We cannot divine the COMMISSION MERCHANT, | reason, unless it is that those who includes spend all their money on Saturday night, or that they cannot get "the craytur" on Sunday. We prosume the latter is the cause, and it is gratifying to know that the ordinance relative to selling spirituous liquors on that day is so strictly enforced-

THE NEW NATIONAL.—Mr. Bonnett made his first appear ance to a good house last evening in the character of Vir Forwarding and Commission Merchant, | ginins | He played the character well, and was warmly ap planded. Mr. Bennett is a finished actor and will be tavorite with our public when they have seen him. To, night Shakspeare's tragedy of "Othelle" will be performed. The cast is an excellent one, and we expect to see the house well filled. Mr. Bennett plays "honest lag ," Mr. Keeble. the Moor, Mr. Bascom, Cassio, and Julia Cooke, Desdomona.

THE COURTS -There was nothing of interest at the Court House yesterday. The District Court was engaged on the argument list, and the Court of Common Pleas was not it session. The June term of this Court comes on in two weeks, but from present appearances it will have but little business. Our city is improving vastly in morality. Goder's Lady's Book .- We have received this valuable periodical for May. It is a splendld number, and contains

BOOTS AND SHORE .- We call the attention of our readers t the advertisement of Mr. J. H. Borland, in another column of this paper. Mr. Berland has just returned from the East with a well selected stock of boots and shoes, which he will soll either wholesale or retail, at very low prices. His pur hases were made at the very best manufacturing houses in the East for cash, and he is enabled to sell for cash at the lowest possible advance Give him a call-his store is on larket street, second door from the corner of Fifth.

AT THE GREAT POPULARITY OF HUSTETTER'S TOMACH BITTERS prepared by the eminent physician, Ir. J. Hostetter, is unbounded. Daily does he receive the cluntary testimonials of the afflicted, who have been cured of long-standing diseases, through the use of the "Bitters," and daily the sale of this medicine is increasing, and extending its sphere of usefulness among suffering humanity. For removing all mostlid matter from the stomach, regulating the bowels; strengthening the estire body, and imparting vigor and tone to the entire human system, it cannot alled. We would recommend all who are afficte with any of these terrible diseases, to immediately procure a bottle of the Bitters, and their allments will vanquish like a bottle of the Bitters, our snow before a scorching sun.

RIVER, WEATHER, &c.—The river still continues to fall with 8% feet water in the channel. The weather is cloudy and indicates rain. Business at the river is very doll, and were it not for the heavily laden steamers which have arrived, discharging their freights on the wharf it would be a dull and lonesome place. The excess of the tennage over freight ready for expert is so great that not one beat in even six stands any chance of getting a tripout. To all steamboatmon below we would say, remain where you are, the up, do anything, except coming up here. The Emma Graham is the regular Zanesville packet, leaving this ovening. Ramember this is the only opportunity of shipping or going by water there until this day want. The Iowa, Capt. Moore, one of the best packets that comes to this wharf, is receiving her freight, and will leave with despatch for St. Louis, taking freight, and passengers to all intermediate points. She made her recent run from here to St. Louis and back inside of twenty days, lesides taking on 400 tons of freights at St. Louis and upwards of 200 at Leuisville, and discharging about 300 at Parkersburg. This is decidedly quick work.
