ALLEGED ABBUCHEN.-Officer Patterson, of the Mayor Police, is now in pursuit of a couple who eloped from Philadelphia some two weeks since. The father of the girl is determined to hunt the matter up. We give the circumtances, as far as we could ascertain them: About a month since, a daughter of Jacob Emery, a tax ern keeper in Philadelphia, was married to a drover from the West, named J. H. Mosely. After their marriage, they

went to New York State to live; shortly afterwards they re

urned to Philandelphia. Mosely intending to go West, for her until his return. At Emery's house, in I hilladelphia, a attachment sprang up between them, and the two slips ed off from Philadelphia, and came to this city. Arriving here on Sunday night, the 10th inst, they went to Trimble's Hotel, where they remained all night, and in the morning started for Cleveland. During the week, a man name Brentlinger, a bar-keeper for Emery, was sent here follow them up, but being rather bangling, he did n succeed very well, and returned home. On hast Sunday

Mr. Emety himself came to the city in pursua of the pair accompanied by Thomas C. Kramer, an assistant bar keeps n his heige, who is alleged to have assisted in the abduction of Mrs. Mosely. Emery had a warrant for Kramer with him, and he was lodged in the Watch-house, while Emery, in company with officer Patterson, prec eded to Cloveland, in earch of the fugitives Nothing has yet been heard of them. It is probable, however, that they will return in a few days with the gay Lothario and the frail fair me in custody.

ty was arrested at an early hour yesterday morning, an taken to the Watch-house, charged with stealing a pocket mok containing \$25, from Mrs. Calloch, in the Third Wars It appeared on the examination that Andrew Calloch keep the Tremont House, in the Diamond. At four o'cl. c' ve rday morning, a traveler presented himself at the doc which had just been opened by Mrs. C. She went in the next room to light a fire, leaving a pocket-book containing hree dollars in void, eight in paper, and fourteen in silver, ying on the counter. When she returned, stranger an nocket back were toth missing, and the stranger belo suspected, the Captain of the Water was notified, and Chiy was arrested when getting on board the morning train or the East On searching his person, the pocket book was bund on him, but eighteen dollars of the money was misug. He ciaimed that he found the porket-book was lyn the door step. After an examination, he was held to bail in the sum of \$3.00. The accused is quite an old ma and has been in the employ of Mr. John Aiken for some

time, who gives him a good character. An Obstinate Fire .- E. A. Davis, of Elizabeth borough, lost a large quantity of coke, amounting to saveral thou and bushels, at Believue Coal Works, near Elizabeth, reently. A load of coke just made, and not entirely extinnished, was thrown on top of the pile, which soon ignited, and the whole body wass in a short time a mass of living embers. The Hope Fire Company, of birmingham, went up with their apparatus, but all their efforts to extinguish t were fruitless. It continued to burn for several days, until the whole was consumed. The estimated loss is about

CULPABLE CARELESSNESS.—On Tuesday morning, about two clock, a gentleman of the Six h Ward was making his way homeward, when he observed a bright light emanating from an out-house belonging to a building on Logan strict He repaired toward the spot, and found that a candle had been left burning too close to the foundation of the building, and it had taken fire. It is supposed that the candle was left there by some night-soilers, while engaged there. The gentleman extinguished the fire, probably saving a good deal of property. This carelessness on the part of these Men, Boys and Youth's persons is culpable in the extreme. \_\_\_\_

Some Fight.—Two boys, whose names we did not learn got into a quarrel in Allegheny yest rday afternoon, and in the melee one of them threw the other into the canal. On eeing his late antagenist struggling in the water, his ant mesity evaporated, and with a true Samaritan spirit, he fished him cut, and left him on dry land. But no sooner had he performed this kind act, than the boy picked up s PRODUCE, FLOUR AND WOOL. club and forced the other to take to his hools.
