POE SOUBSME TUDGE,

william a pontron.

FOR CANAL COUNTESIONER

WESTLEY PROST. OF FAVETAE COUNTY.

AGRICULTURAL COLLEGES, Institutions to promote a liberal and practical education of the industrial classes in the several pursuits and professions of life are inreasing in this country. A bill has recently passed the House of Representatives and it is thought will rass the Senate, denating lands for Agricultural colleges in the several States of the Union. The bill appropriates over six millions and a quarter of acres to be divided among the States in amount equal to 20,000 acres for each Senator and Representative to which the respective States are now entitled. The money ar sing from the sales is to be invested in United States or other stocks, however to the exclusion of other scientific | years of age; that the liability of the sexes is matter is direct.

MISS J. M. DAVE TOMP. This gifted and accomplished lady com mences a short engagement to-night at Foss ter's new National Thertie. This announce? ment will be halled with pleasure by thousands in this city who have long estramed her as the most elegant, agra able, and in one word, perfect notre s, who has appeared in this city since the days of Ellen Tree, Her capabilities raign artist in the role of characters which she assumes, are to far superior to all her compeerathat it is not possible to compare her with them. She don not seek to display a startling power, as unfeminine as it is surprising -that is not her line. But for per class weres. In the large towns, such as retinement and tente in selection of charactirs and perfection of execution in all she undertakes-for genuineness and trath end naturalness-which only the highest artistic tasts. This feet has its parallel in the United rower can reach, Miss Davenjoit has none to States, where the largest proportion of insane compare with her in excellence. She does is to be found in New England, the cities als not ned in Pittsburgh any undue efforts to having more insene than the country. It old one. If the law should be ratified, the next ton Constitution is not submitted, in rejecting the secure attendance when she plays. The angunder of her name is sufficient. She commences the sengage ment under most favorable an pices. Mr. Foster has just completep. a handsome and pinmodious new Theatre, and whole life of a is a constant struggle. Inthe public appreciate fully his percovering and indominable efforts to arnish them with a first contrast, in this respect, to idiocy, which is serve is of a company which is probably the hat which has played in Pittsburg for twenty years, so that Miss Davesport will be well support I in all his pieces. The His so is new the zenery is new, and everything about the Theatre is new and sweet and clean and convenient and comfurtable. The lady star may expect to be greef: I by full and fash mable houses, and we will warrant that every visitor at the new National will be not only as Adr' and Lecouvreur, in the excellent play of Adrieume the Actress.

length the letter of Secretary Caus to Lud Loba a sny? Is it his mission to deter the line is about 80 years old, 5 feet 9 inches Nupler in reply to neveral letters from the Government from pushing forward reinforces had on brown pants and light coat. British Amtanador on the subject of the ments? Slave Trade. The decuments, which are important and interesting, eccupy seven of the closely printed columns of the Herald, and as they are entirely too long for reproduction in ourtown columns, we give a brief resume of the matter from that paper.

Legent that, some t me s'ace, the government which-hard Palmerst a was the heat bad so litts to occupy its at sut on, either in India, Canad or Europe, that it devoted some time and consumed some star energy in appealing to the government of the United States to carry out or more vigor the ready for the suppression of the divers becaute coast of Africa. Wist the precise presentant of the English politicorna ere, we are left to conjecture, as the despatchfe to Lord Family or Mr. Cars have not yet noc published; but it wasta to infer from the repl as the Rughah urged us, in the first placincrease our squadron on the open of Afed, next, to enter into come new stipulates with a view to the more thorough suppression of to tracte; that they complained of the fitting out of davers in our Northern parts, and that , malched the eternal "representations" to such the frequent "v.cite" of American vecthe subjected there. They appear to have been arred on the great of the African slave trade such as reaches journal of the statistics. ting of vessels for that trade, and to nave made up their mipd that it was time for

It was such pretensions as these which drew : Ar. Cass the galling reply which we pubthe lady, "you can stay here." Accordingly he called Burnave's Holland Bitters, we both obtained the friends as the friends as the lady, "you can stay here." Accordingly he dismounted. He deposited his saddle-bags, and lady and the friends as the led his horse to the stable. Mernwhile, the evidence of its value."

JOHN FORSYTH. Protective Squadron. So long as the present not be a Presbyterian," said one, "for he is not Bitters. Sold at \$1 per bottle, or six bottles for \$5, treaty is to force, the United States, he says, will well dressed enough." "He is not a Methodist," by the sole Proprietors, Benjamin Page, Jr., & Co., well dressed enough." "He is not a Methodist," perform their step abated share, but "the henefit sold the other, "for his coat is not the right cut sold the other, "for his coat is not the right cut for a Methodist." "If I could find his hymn for a Methodist." "If I could find his hymn for a Methodist." "If I could find his hymn To stop the slave trade, you must not lie low sort of a preacher he is." And with that the song the tatal coast of Africa, where it is so thrust her hand into the saddle-bags, and pullc. y for the shavers to foil the vessels of war: ing out a flask of whisky, she exclaimed: "La! A WORD TO THE LADIES. must attack it in Cobs, which is the only mother, he's a Hard Shell Baptist." market for slaves, and where, alone, the trade can be crushed out. The argument applies with prove a serious obstacle in the way of insisting postmaster at Osceola, Clark county:on the feithful fulfilment, by the Cubans of the

ave been so greatly multiplied source the treaty the suppression of the slave trade wert into tores and effect that the American fair trade | D with the coast of A rica has almost been destroy-And though no direct issue has ever been made by the United States with Great Britain in consequence of these outrages, nevertheless the opinion of the government and people of the week, by the President. nited State is as decidedly opposed to the pretended right of seeveh as ever, and if it be persevered in by England, some day grave

As to the ships that Lord Clerendon saw mentioned in the Herald as having been fitted out to be slavers. Mr. C. is very naturally replies that we are a ship building nation, given to build good and fast chips for all the world; and that thus the slavers, who are mostly Spanish and Portuguesc, generally buy their ships here. But to make us respons ble for the conduct of these ships after they have been sold to foreigners, is of course absurd. Mr Cass finally constudes with declining, on

the part of the President, to take any new measure in concert with England, for the suppresnor of the slave trade on the coast of Africa. This correspondence, when it reaches Eu. rope, is like to cause some excitement, and we think the English will not be inclined to ap-

prove the impertinence of their late government The letter of Gen. Cara is spirited and to the point, and his views are manifestly sound and correct. STATISTICS OF INSANITY. It is of comparatively modern date that the insane have been treated upon correct and

yielding not less than 5 per cent., to consti | scientific principles, and the statistics of intote a perpetual fund, the interest of which is sanity, as prepared by medical men, show publication of her father's (Col. Benton's) woll to be appropriated to the endowment and sup- some curious facts. In England, where great port of colleger in which such branches as re- attention has been given to the surject, it has late to Agriculture and the Mechanic arts been ascertained that the liability to the disshall be the looding and prominent studies; not lease is greatest between twenty and forty and classical instruction. We give the out- in the proportion of fifty four per cent of males lines of the bill, which has not yet been acted to forty-six of females; that the agricultural upon by the Senate, for the information of population is more subject to insanity than our country readers, whose interest in the the manufacturer: that nutritious food is more beneficial to the insane than a low fare; that personal restraint is hardly ever absolutely necessary; and various other facts, all assist ing, more or less, to r fuce the proper treatment of insanity 'Da positive science,

In an interesting a nole upon this subject the Ledger states that the statistics of our American asylums egree, in general, with these. In one respect, however, the English statistics exhibit a striking difference from our own; we allude ') the vast proportion of insane among the pauper population. In England and Waler, in 1857, one paper out in Wisconsin. of every fifty wer insane; wherear only one out of every four thousand of the non-pau-London, insenity prevails to a greater extent than in other towns, owing, it is supposed, to the greater cerebral activity of the inhabimost subject to it is the educated poor, whose capity is increased by civilization, forming a

cause of insanity is religious excitement. The causes of incanity are various. In round numbers, about ten per cent, are hereditary physical causes; about s'xty-two per eint, moral causes; and the remainder unknown. Nearly half there insure from moral from moral avers, about fifty one per cent. recover : but when the insanity is from physical causes only thirty-four. N wiy half its fury but one escaped. Its greatest force was satisfied but placed and gratified. She opens those who recover have a second attack, according to one authority. I have for two years past been af-TAKE FISH. flicted with a severe pain over the eyes, accompanied with s nervousness and sense of disginess; a malady beyond the power and skill of our physicians to relieve and cure, caused, as far as I myself could judge, by a diseased state of the liver and stomach. Some of the doctors tried bleeding, and arious other remedies were tried, but all in vain, for the

ep-rocted disease still stuck fast. At last I procured ox of your valuable Liver Pills from a Druggist here, and ed, after taking a portion of them, that the discuss and painful sensation over the eyes has almost entirely left me. will close by advising all those afflicted as I have been, to procure this valuable medicine at once, and save much time nd pain, with little expense. With sincere gratitude and sapect, I remain yours, respectfully, GEO. W. RUSSELL, Toronto. Purchasers will be careful to ask for Dr. M'LANE'S

ELEBRATED LIVER PILLS, manufactured by FLEMING BRCS., of Pittsburgh, Pa. There are other Pills purporting to be Liver Pills, now before the public. Dr. M'Lane's genuine Liver Pills, also his celebrated Vermifuge, can now be had at fure of [33] (ap23.1wdaw) FI EMING BROS.
