DIAR MADAL.—The reputation of the Medical Discovery,
in curing all kind of humors, is so well established by the
unanimous voice of all who have ever used it, that I need
not say anything on the subject, as the most skilled physical not say anything on the subject, as the most shifful physicians and the most careful Druggists in the country are unclans and the most careful Druggists in the country are an animous in its praise.

In presenting the Medical Discovery to your notice, I do it with a full knowledge of the carefive power. In relieving all, and curing most of those diseases in which you are un fortunately so liable. That most excruciating disease to an affectionate mother,

NURSING SORE MOUTH,

Is cured as if by a miracle; your own temper is restored to its natural sweetness, and your babe from short and fretful naps to calm and sweet slumbers; and the Medical Discovery becomes a fountain of blessing to your husband and household. In the more advanced stages It extends to the stomach, causing DYSPEPSIA. which is nothing but canher of the stem h; then to the DAN RICE
