In attributing such valuable properties to this remedy, no resh or unwarrantable assertion is made, but is simply stated a fact; proven undeniably and conclusively by the extraordinary cures, and benefits derived from its use, under the direction of its illustrious originator, Dr. Hooffand, among all classes of European society, and from the immense mass of testimony, from all parts of the American continent, eccumulated during the lest ten years, in the hands of the present proprietor. The prevalence of diseases to which the German Bitters are adapted, it is with sorrow we say it, is almost universal; indeed there is scarcely a family throughout the whole extent of our country in which there cannot be found among its members that peculiar sellow and langued W and equipment, and its through connections, is prepared to transport Passengers and Freight from PHILA-DELPHIA and PITTSBUEGH to CHICAGO, ST.
