Dan Rice's Great Show opened yesterday afternoon to what is styled in professional parlance "a good house, the bad weather not apparently interfering with Dan's success. The attendance at night was large, and the perform-

ances were highly gratifying to those who constituted the congregation. The drollerest, Dr. Thayer, appeared to an advantage, and his piquant jokes and local hits passed of BOOTS, well. Mr. Showles, the grotesque, provoked roars of laughter, whilst his remarkable feats of physical contortions were warmly applauded. Miss Salli Stickney, the young questrienne, is justly designated as the pride of the Amer ican arena, for without exception she is one of the most chaste, classic, and most graceful females we have ever seen on the saddle. F. H. Rosston rides the six horses dexter ously, whilst Mast Reed, Mrs. Dan Rice and Mrs. Libby the occasion. The animais—the rhinoceres, camel, mules and elephant-did well, and the spectacle of "The Flitch of Men, B ys and Youth's Bacon" is quite instructive, and conveys a correct idea of AMUEL FAHNE STOCK, No. 74 WGOD the fetos of the olden times in "Merrie England." [my81viz THE CHEMICAL OLIVE ERASIVE SOAP, manufactured by B. C. & J. H. Sawyer, re-receives the preference over all other hinds ever offered for feetings. Its advantages over other Soaps are:—lat it is cleaper to use, one pound being equal to three of common resings. Soap. 24. Italf the time need only be occupied in weshing, when this Soap is used in place of other soap. 3d Lat in washing can be nearly dispensed with, as the clothers will require little if any rubbing, thus avoiding their work on the wash-board. 4th. Boiling the clother is unanceessary when this Soap is used, and hard or salt water answer equally as well as soft. 5th. Printers. Machinists, Panters and others, find it far superior to other Soaps. It speedily removes grase, tar, point, printers' ink and dirt from the hands, leaving the skim soft, and free from chapping.

To avoid the labor or trubbing, the clothes, and the use of the wash-board, the following directious should be followed:

For the washing of eight or ten of a family, tathe cue pound of Soap, cut it into shavings, and dissolve in one gallon of hot water; put the clothes who a tube containing about ten gallons of warm water; pour in the dissolved sape and sirr thoroughly. Let them soak twenty to thirty limitudes, wring out, and rinne in warm water once, cold water twice. A very dirity wrist-land, or seem, or graces spits, may require a slight rubbing, but otherwise the clothes will come out clean and white, with out tubbing or boiling. Cold water may be used in place of help requiring about double time in soaking.
