The provalence of diseases to which the German Bitters are adapted, it is with sorrow we say it, is element unwersal; indeed these is scarcely a family throughout the whole extent of our country in which there cannot be found among its members that peculiar sullow and langual appearance denoting a diseased Liver, or an emaciated and appearance denoting a diseased Liver, or an emaciated and suffering Dyspeptic.

Then of what immenzolimportance' to this class of invalidate a cortain and reliable remedy should be placed within their reach; one in which no baneful or injurious dr dollars have been expended in its manufacture and diffusi throughout all parts of this continent, and the propriet feels the greatest satisfaction in stating that there is state, county, or oven village, where the Medicine has be introduced, that there cannot be found numbers willing introduced, that there example to found numbers willing testify to its wirtues.

It is used constantly in the practice of a large number of the most prominent Physicians in the country, who have also added their written testimony in evidence of its great virtues. In conclusion, then, we would respectfully ask of all those afflicted with any of the above diseases to give the Bitters a trial, and rest assured it will now he received. an those afficted with any of the above diseases to give the Bitters a trial, and rest assured it will never be regretted. In proof of the statements above made, all are invited to read attentively the Almanac published annually by the proprietor, for Farmers and Familles, containing is great number of useful receipts, in addition to the testimony in favor of the Bitters, from the most prominent and well known in dividuals in all parts of the Union. which, with the disease, leastens the sufferer into a rapid

WE beg leave to call the attention of the Trade, and more especially the Physicians of the country, to two of the most popular remedies now before the public. We refer to

Dr. Chas. M'Lane's Celebrated Vermifuge and Liver Pills. We do not recommend them as universal Cure-alls, but simply for what their name purports, viz.:

preparatory to or after taking Quinine, they almost invariably make a speedy and permanent cure.

As specifics for the above mentioned diseases, they are Unrivaled, and never known to fail when administered in accordance with the directions.

Their unprecedented popularity has induced the proprietors, FLEMING BROTHERS,
