From Washington. wel, which calls for the immediate attention of the ment, and for the accommodation of the public. tish Government. I am persuaded to believe that the occurrences took place as they are stated, the andemned. I beg you would communicate to Lard isimsbury the earnest desire of the President tha this practice, which sooms to become more prevalent, it detaining and scarching American vossels has be

duct of the British officers will be disavowed and rinued, and the most peremptory order for that e should be given and enforced. Such a meacarled for by important considerations, which readily occur to you. While this Government entained to use all proper exertions for the supsupport the ocean should be preserved. Whathave been the true objects of the voyage the Certex, if she had papers stating her Amer weter she was subject neither to search nor be taken to prevent the recurrence of similar

Mr. Case, in a letter to Secretary Toucey, dates May both, communicates the statement of the Consui deheral at Havana relative to the aggressive ournizes recently committed against a vessel of the United States. He adds that the subject calls for the immediate attention of the government, and that hir. During has been instructed to bring it to the consideof the British government with a view to such and on as the circumstances demand. Outrages of this nature against our vessels, if longer continued sumer fail to lead to the most unpleasant conso mencos. It appears that soveral British armed escela are cruising on the coast of Cuba, and that ar merchant vessels are exposed to vexatious interquion by their interference. It is therefore proper a a vessel should be despatched with instructions o render prompt protection to all American vessels has may need it. The foreible search by cruisers at power on the high seas cannot be telerated. The Seer tary of the Navy wrote to the President Above tool been ordered to ergise activaly on the Fixed States on the high soas from search or deten- and the House then went into committee and took

Orders have been given for the preparation of the Orders have been given for the preparation of the factor favoanash and the brig Dolphin, to join the H me aquatron for the purpose of cruising in the measurement of Caba, and the steam frigate Warnam, now fitting out at New York as the flag ship of the modern for the command, by Commodore Pauding; also, under his command, by Commodore Pauding; also, and the second form of the command, by Commodore Pauding; also, and the second form of the command, by Commodore Pauding; also, and the second form of the command, by Commodore Pauding; also, and the command of the command of the communication o the Mediterranean squadron, has been directed to asking information why certain correspondence on the persons and property of American citiDepartment. Mr. 8 M. Chas, writing to Mr. Dallas on the 18th of May, pays on reforms him that various statements have been made the public papers showing that there are cases of retions detentions and searches of American ves els by British armed ships of war in the Gulf ef Sievies and the adjoining sons. In addition to these agreesions on the high seas and the indefensible act

willience against several of our merchant vessels sid to be eleven in number, a forcible entry and ex summation has been committed by a British armed smer in the harbor of Sagua La Grand, on the Island of Cuba. No authentic report has reached the Department, with the exception of a letter from insul General at Havana, and of which a copy is transmitted. Propor measures have been taken to or oure all necessary information, which will be convarded to you, and when all the facts are asconmined, the proper representations will be made with-out dain, to be government of Her Catholic Majesty or that this search of American vessels by the naval torres of another power within the territorial jurisdiction of Spain. The government of the United Sames is entished that the government of that coun-.y will saget the most efficient measures to protect meir vessels resorting to Spanish ports, from lawless

nees such production as they are entitled to, and is not secured elsewhere it must be found in the wer of our own country. Mr. Cass says be is not informed whether any in er, was sest sized in consequence of the proceedings egulary these vessels. If there were, it is expected ment, or by means of its interposition with the vernment of Great Britain. These flagrant via ctions of the rights of the United States, he adds. cave excited a deep feeling throughout the country and have attracted the attention of both houses of ougress. Their continuance cannot fail to produce to most serious effects upon the relations of the two tries. The President confidently believes that the British haval efficers, in the adoption of these high-handed measures, have acted without the actionity and have misunderstood the views of their government, but it is not the less due to the United es that their conduct shall be disavowed and peremptory orders issued to prevent the recurrence summer processdings. You will communicate to Malmebury the reasonable expectae Provident that this subject shall recoive the immediate attention of her Brittanic Mass erry's government, and that the officers who have been guilty of these outrages shall be held person ally responsible for their conduct, and that when possibling injuries have been sustained, the inter ad parties shall receive just compensation. You wal invite the particular attention of Lord Malmsoury to the occurrence at Sagua La Grand, and to ac just expectation of the United States that the

n, asure of redress adopted by the British governmen, apon this case will be such as to mark with its to play are the conduct of the officer whose proceedthre given serious cause of offence to a friendly to prevent similar interferences bereafter. round that the protective policy should be entirely ubandoned, and to report, as early as practicable, to rece taxation, as a m etter of economy. Articles of prime necessity should be taxed the lowest rate of city, and the barden thre wn as much as possible on The navigation la ws should be so modified to require any portion of the officers and ew- or American ships to be Al norican seamen, and American citizens be free to purchase and sell To La built ships of an entire equality with American built ships, and that the American coasting trade her utmost speed, and sunk almost instantly, can built ships, and that the American coasting trace on spin on terms of perfect equality to 'oreign ships, The committee say that they do not enter 'ain a hope that they can inaggrate the new policy no. V. Such radical changes must be the work of time. They do they therefore, hook so much to immediate practical conditions as to the effect upon public opinion, and thus altimately to insure the triumph of the principle stary advocate. SENATE. A Plessage was received from the President enclosing a letter from the Secretary of the Navy on the authority of British aggressions in the Gulf of Mexico, which was referred to the Committee on Foreign Re tions, and ordered to be printed. Mr. Pugh offered a resolution enquiring if the Mexican Government has revoked the grant for a road across the Isthmus of Tehauntepec, and if so,

that steps be taken to renow it.

The discussion on the repeal of the Fisheries bounties was continued by Mesers. Chandler, Davis, Simmons, Wilson, Shields, Sumner and others. It was finally disposed of as follows: An amendment to the amendment repealing duties on sugar was lost by 27 against 20; the amendment itself repealing the duties on salt was lost by 41 against 18. The bill pending was reported. Mr. Wilson moved that it do not take effect till the 31st December, 1862. Lost by 30 against 26. The bill therefore takes effect can becomber, 1859. The bill was then passed by

BY LAST NICHT'S MAIL. [from the st. b. to from rate of threaday.] Great Steamhout Disaster.

CITY OF HUNTSVILLE SUNK. AT LEAST TEN LIVES LOST

PARTICULARS AND INCIDENTS.

A telegraphic despatch briefly announced on Saturday, the total loss of the steamer City of a considerable loss of life. Since the arrival of session of very full perticulars, and proceed to av them before our residers. The disaster occurred on Wednesday night at Il o'clock, at Palmyra, about ten miles below

about half her hall being tern away. She now lies in the very centre of the channe with four feet of water in her cabin, and will prevent boats from passing, unless removed preious to the advent of low water. The suddennes of the disaster, and the late hour at which it occurred, combined to render it deplorable affair, by the loss of at least ten

Elemett Wallace, assistant engineer, Smithland, Kentucky, and Heary Sackson, are the only na tnes of the lost that we could ascertain. The latt. or was a free colored bey, and assistant porter of the boat. Eight deck hands, Irishmen, name's anknown, are known to have perished. The first portor, when he arrived at Nashville, had with him three trunks, which he had saved from the wreck. One of them was marked "Mr. Brentworth, Memphis," another without mark was supposed to belong to Brent Spencer, of Nashville, who was a passenger and the third was ugarked " Rebecca Davis, Ten-

The passengers saved were taken to Nashville by the steamer Choctaw. They exonorated the officers from blame in the matter of the disaster. The accident occurred in a chute, thro' which the water at its present high stage rushes with great velocity, readering the passage unuually difficult; while in here, the bost "took a sheer" on the pilot, and encountered the log,

there being no possibility of preventing the colthere being no possibility of preventing the corlision.

The officers, without exception, seem to have done all that it was possible for men to do under the circumstances, in giving directions for the general safety, and assisting personally.

The circumstances, in giving directions for the general safety, and assisting personally. The grantest confusion, excitement and terror prevalled as usual in such cases; and there is much valled to such valled to such as usual in such cases; and there is much valled to such valled to such valled to such valled to such valled to su apprehension that the loss of life is much greater than ascertained, or ever will be ascertained. Almost every passenger had retired to their respective berths, long enough to justify the Without action on the bill, the Sonate adjourned. supposition that many were asleep. Soon after

ling on a rope. She was appliable it seattle to years, and it represented as a most bountiful wall into these of young lady Her doath was purely accidental
The Concert Tels Evening.—The operation in relation o the grand - mert which is advertised to take place this vening at City Hall, remained unabased yesterday, Quite a large number of tickets were sold, out there is still uite a number regaining, and those wishing tickets on still purchase they . The weather promises to be pleasant and we anticipate the presence of a large and fusitionals udience, su h as is seldem assembled in our city. Aprop. of this concert, we learn that the violin from which Vioux temps drew such a "concord of sweet scande" on his last visit to this city has a history or its own, which is of interet, and may not be generally hispore. (C was formerly i n 1840. How umulat defuring his his eight superior Orca mona violins, which he treasured as mere sainable that any Corn is other of his possession a. At his death he hequeathed them Allegheny City. Shirts, gloves, scarfs, ties, hericry, &c. . to the eight best violinists to surece. They fell to De Be

years old, and as 4.1 is proclamity of the violing that it in proves with age, and both the cx mance of tone which winces is doubtless on to this grouns times. Whether the conderful notes which Vicustemps draws from this metraient are due to its age, we are not prepared to say, but of amly he has no superior, if an equal, in execution, on the country. The same may be said of Thalberg and the other this to his will visit City Hall this evening and judge to themselves. The Minstein - The Mark Strategies, well and know bridge Mustices are stall in destall tide of success at Mis-Kimberty's Theatre, drawing most bouses every night. The chief attraction is their originality. The burlesque on Josef Brown had night was a good for. This evening they give

house attracts a large crowd of listemeta every evening, and loubtiess induces many to patronic the establishment. A Saturday afternoon have alread, been sold, and there is respect of a large audience on that occasion More Charges Adamst Anderson -- Pao in re efficaci Arthur Anderson, the concrete man, who was committed to

iail a few days since for ploudering various parties at a National Rotel, one of the charges was made by A. Baker, a brander at the house, for the barrony of a empet suck containing a cont and shirt. The other was made b Joseph Penticoust in steading a gall to a ward three work ties from him, at the same house. Communents were led, ed against him on these intermations. Arthur will be likely to get a long i rea as there are no less than air charges against him.

GREEN TORTH. Sour.—Co., Freeker, of Warrent Hall, lower ways prepared to please the Lovers of productioning. Tools.

he will serve up grown torthe scop from seek buildes, which and night were alive and to summ. The for her as also supplied with sea base, fine tresh shad, belefters, green peas central's potations, and before the end of the week red hirdand soft shelled crais will be on his bill of tare. Walnut Hali is the place to depoy the good thinks of the life. In the purchass have delicacies to take home to your faintly. Every guest is waited upon promptly and the cook of the estab. A Suspenses Charactan we have allowing in the main-of Brown, whose cleast or made we said not learn, was ar-

ested yesterday meaning or the whall on any identic passing counterful in a. arriving at the Mayor office, it was ascerta to i that the charge was without founds ion. An examination of his paraon was neade, and a pair t knuckters and a "juning" found on him. He was the ten dollars for "disorferly conduct" in carrying these intruments, and being unable to pay the first we went to

Correction .- On Tuesday meeting we published an Rem headed "Young Pifferers," in allusion to some boys who had roubed a butcher's till in the market house. By a m's take of the compositor, the name of James Wynne was in serted as James Weyman, who had no connection with the affair. We regret the mistake, as the boy whise name crept into our report so unintenti nally, is the sen of worthy parents in Allegheny We deem this correction due to the

| Kostanis Nava Man - Miss Margle Michell of peared in this establishment last evening. This lady has always been a favorite here, and is now mere rapidly than over ingratiating herself with our public. She appears this even-OPERACTIES, ETO | ong as Prince Frederick of Prussia, in a piece entitled "The Young Prince, or the Privileges of a King's Son ?" also as Paul, in "The Pet of the Petricoate." We becopeak for he a good house. The drama of Jessie Brown will be produced

a a short time. THE GIFT BOOK STORE .- Mr. freeton, at the GIR Look tore, No. 56 Market street, is doing a brisk business. Fev ral valuable watches have been already given away by the enterprising firm. With every book a gift of some hand is presented, and while realizing the value of the investment company it. There can be no loss by any possibility.

In books, a gold watch or some other arible of value will Mator Wraven had no great amount of business yester lay. Ten common cases were returned from the watch logse, of which six were committed to jail, three discharged on promise of amendment, and one paid his fine. Found.-A memorandum book, containing a number of

etters and other papers, belonging to Dr. L. H. Harris, was ound yesterday and left at the Mayor's office, where the DYSPEPSIA.-That most troublesome and painful of al diseases, it is now ascertained, can be effectually cured.

Many have been the preparations gotten up to attain this object, but with one solitary exception, we believe, all have THE MOST INTERESTING new styles, in the White and Gold Band, either in sets or All who are suffering from diseases arising from a foul on THURSDAY, FRIDAY AND SATURDAY EVENINGS, stomach, should not fail or hestate to use it.
