no longer desirable to them. State sovereignty. The consequence of admitting a State without recognition precedent of the rights of the United States to the public domain, are, in my chinion, the transfer of the useful, with the minent domain, to the people of the State thus submitted without reservation. The bill first passed by the Senate, like that which became a law, covered the two points which, in my opinion, contained all that was im-portant to the South: First, the recognition of trol over the mode in which they would proceed to form their Constitution. Second, that the recognition of the right to hold slaves should not be a barrier to the admission of a new State into the Union. As a question of preference botween us bill of the State, which failed in the House, became a law, my judgment is in favor of the Batter, because is distinctly reserves the rights of the United States, and does not attempt to contrue, or seconingly to suggest any modification of the Constitution, or to offer any justification for having admitted the State, but leaves it to stand as the simple recognition of the rights of the people, they having formed a Constitution Republican in its character, to be admitted into The importance which I attached to the succous of the measure, and my willingness to incur ary responsibility which attached to a participa-TOTICE IS HEREBY GIVEN, THAT though an invalid, whose condition rendered it Sealed Proposals accompanied by proper quaranteer the ugh an invalid, whose condition rendered it To TICE IS HEREBY GIVEN, THAT though an invalid, where condition rendered it search is been proposals accompanied by proper guarantees, according to forms to be furnished, on application at this been first TUESDAY in June next, for the supply of the first TUESDAY in June next, for the supply of the first TUESDAY in June next, for the supply of the first TUESDAY in June next, for the supply of the stated are estimated with reference to the soveral numerics stated are estimated with reference to the soveral numerics stated are estimated with reference to the soveral numerics stated are estimated with reference to the soveral numerics stated are estimated with reference to the soveral numerics at the fight to take more or less of said articles accordingly in the bositel at not in ino judgment of the Physician, if the bost quality, and adapted to the Hospital he will be ar no present fruit to be gathered by the foot over the contract prives. It seems that one James James, a cousin of Issac June, harbored an old gradge' against the latter, and having prepared himself for revenge by constructing an informal machine with powder and some other material, and arming himself with a revolver and knife, called at June's house, Tuesday morning, at an early hour, saying as he came in, "June, I am in time to take break-fast with you." He was invited to de so, and sat down to the table as coolly as if on a friendly visit. After the meal was done, and June's
