DEMOCRATIC STATE ROMINATIONS. FOR SUPREME JUDGE,

WILLIAM A. PORTER, OF PHILADELPHIA. FOR CANAL CONMISSIONER,

WESTLEY FROST, OF FATETTE COUNTY.

OUR WEEKLY

The Weckly Post, filled with the latest news -a first-rate number-may be had this morna distance.

A PUBLIC PARK. There is a proverb that the Hindoos have, which says that "he who hath planted a the State was to be obtained only by means of meas-Banyan tree hath done his duty to posterity." In our city there has been no regard for the spirit of the Indian proverb. We have few ing to labor for the realoration of the system so long shade trees on our public streets, and noth- system which gove to the country the universal prospublic park, where the used denizens of the city might expand their lungs by a breath of only course through which our political system may fresh air-where the children might develope that preserved, the experience of all mations proving that preserved, the people is, in fact, protection to their limbs by healthful exercise, and where the government melf. even a small specimen of the green glories of nature might be daily presented to the eve, as a relief from dusty streets and red brick walls. It must be confessed that we of the present generation have grave cause of complaint against those whose posterity we are, for neglecting, in early days, when laying out the city, to provide the corporation with

lungs in the shape of public parks. But complaint is useless, and all that remains is for us to provide, as far as we can, a remedy for the neglect of our forefathers. This i not so altogether impracticable as some would have us suppose it is. There is room for public grounds out on Boyd's Hill, and also on the side of the hill above the Fifth Ward, which we hope may yet be set apart for this
