sion and the cost of survey shall be paid out of the Treasury of this county.

The undersigned are informed that beside the allowance of five deliais per day to each of the said Commissioners, it is expected that a large claim will be created upon the Treasury for the exponess of surveying, and have reason to believe that the project is but a new device for the purpose of making a profitable job for the benefit of other parties at the expense of the tax-payers of this county.

They begins of the tax-payers of this county in the consent to lay this admitional butthen upon the lax-payers of this county; because,

1st. The condition of the Treasury, in consequence of the unauthorized payments of large sums of money for interest on Railroad Boul h, is such as to disable them from meeting even the current measures of the county; and, 2d. Because the project itself is one which is comblet namely to the two curse and to a few owners of property rein, and is one, therefore, in which the fax-payers of this county have no autorest wantever, as they have nad I Tucy trust, therefore, that you will take no stans in the

matter under the expotation that the expenses there are to be met out of the County Treasury.

ANN ARBOR, November 5, 1856.

In Ford, Johnston Prof. in the total much said of the wonderful offer to do your Hair Restorative, but having he also offer chartes by quackery and quack noutrums, mair siyes, &c., I was disposed to place your Restorative in the sains only with the thousand and one loudy trumpated quack remedies, until I met you in Lawrence county some much succe, when you gave me such assurance us indiced the trial of your Restorative in my family—first by my good wife, whose hair had become very thin and onto to like whose hair had become very thin and onto the profit of the had before exhausting one of your large bottle, her had refer and had believed a form and ready and had theless called to its original beautiful here and of the had theless called the original beautiful here a form and the part of the profit of the p , but their was restored nearly to its original beautiful own color, and had thickened and become beautiful and brown color, and had thickened and become beautiful and all day upon, and entirely over the head; she continues to use it, had simply because of its healthful influence upon the heat in the beautiful thickened and nation. Others if my family and rinnia are using your Restorative, with the happiest effects herefore, my skeptirism and doubts in reference to its character and consistence of the entirely enough (I can said do and most consist) and confidentially recommend its use by all who would have their hour restored from who are gray (by reason of sickness or age.) to original chor and beauty, and by all young persons who would have their thair beautiful and crossy.

Very truly and gratefully yours, FROM Woods: It was a long time after I saw you at Blischeld before I got the bottle of Restorative for which you gave me an order upon your agent in Detroit, and when I got it we concluded to try it on Mrs. Mann's hair, as the curst feet of its power. It has done all that you assured

me would do; and others of my family and friends having witnessed its effects, are now using and recommending its nee to others as antitled to the highest consideration dram for it.

Again, very respectfully and truly, yours,

SOLOMON MANN. CARLYLE, Ill., June 28, 1852.

i have used Prof. O. J. Wood's Hair Restorative, and have admired its wooderful effects. My hair was becoming, as I thought, prematurely gray, but by the use of his Restorative if has resumed its original color, and, I have no feabt, permanently so.
