Court of Quarter Sessions. Before President Judge William B. M'Clure, and

Associate Judges Adams and Parke. FRIDAY, June 25. In the Ross perjury case, the arguments having been concluded on Thursday afternoon, Judge M'Clure delivered his charge to the jury. It occupied about an hour, and was a fair and impartial Commonwoolth vs. Robert Sample and Silas Iron City College. Sample, on an indictment for conspiracy to abduct and seduce Matilda Gass. This prosecution rests on the allegation of Sabastian Gass, setting forth with a fatal accident at Leech's coal bank, a few that Robert Sample, of M'Candless township, pro- miles above Elizabeth, yesterday. He was in one of cured the services of his daughter, Matilda Guss, to the pits at work, when a quantity of "horseback" wait on his wife during an illness; that on the 15th fell on him, cruehing him to death instantly. of May, of the present year, Robert, his brother Silns and Matilda met at Manchester, when the two pound, and she is well. She had been down with consump brothers prevailed upon the girl to go on board the tion for two years, but is now able to go to work again. My steamer Argonaut, bound for St. Louis, holding out mother had a cough for five years-has taken three botfles the idea that Silas would marry her. The whole of your Compound, and it cured her. We all believe it has party registered their names for St. Louis, but Silas left the boat previous to her departure, leaving the girl on board in company with Robert. After three weeks absence, Robert and the girl returned to the city on board the steemer Rochester, as man and offer the greatest inducements to each buyers, seem to be

The Icwin Property in Alleghen; City .- The beautiful sonts for private residences, in Mr. John Irwin's plan of his "Rope Walk" property, are being steadily disposed of by Mr. Davis, at his Auction Rooms. The interest taken to secure homesteads in this delightful location is assurance of the elegance and taste with which the lots will be uniformly improved. Those who purchased at the former sales | ABOVE THE CANAL BRIDGE, design to speedily build for themselves; and as the proprietor is determined to dispose of all, it will not be long before this section of our sister city, with its broad commons and spacious avenues, will become a garden spot of beauty, in its suburban style of prohitecture. On next Tuesday evening, at his Auction Rooms, Fifth street, Mr. Davis will sell the CHILDS & CO., remaining lots, which are of various sizes, as described by advertisement in our columns. Plans can be bad at the Auction Rooms.

Horse flesh on a "Bender."—An amusing incident occurred yesterday afternoon on St. Clair street. A huge horse, attached to a dray, ran cif, taking the direction of the bridge. On reaching Super's drug store, having in the mountime got rid of the dray, he astonished the inmates and bystanders by rushing into the establishment at full stood. Once incide, he stood still, and quietly surveyed the interior, evidently thinking himself in the wrong box. Whether his visit was prompted by a desire to indulge in a glass of Charley's soda water, or some other motive we are not possessed of sufficient "horse sense" to discern; but if the former was the object, he showed himself not only a well educated and refined animal, but a good imitator of the human species, for everybody goes to Super's this scorching weather for a refreshing boverage.

More Sport at Collins Park .- Another match i advortised to come off at Collins Park this afternoon Our bloods will doubtless be in attendance to enjoy the fun. The prize, a silver cup, valued at forty dollars, will be awarded to the best blooded colt under four years of age. This race will be the most exciting of the season, as the horses are to run. INDESTRUCTIBLE ROOFING. RUSSELL'S PATENT MASTIC ROOFING!

CONSISTING OF CANVAS SATURATED WITH RESINOUS SUBSTANCES, ETC,

PATENTED IN 1856. THE UNDERSIGNED IS PREPARED TO COVER AND REPAIR ALL KINDS OF Roofs, with Russell's Martic. This composition is adapted for all kinds of Roofs, fet or steep; it can also be applied on Tin, Iron, or O.d Shingles, making a perfect job. This composition is not affected by atmospheric changes; it will neither crack nor run; it is impervious to water; FIRE PROOF and more detailed than any other kind of decofing. This roofing material is used in was, quantities throughout the United States, on Houses, Bridges, Eclims Mills, Railroad Cars, and Steamboats, giving entire satisfaction, and is considered a perfect protection from the elements. tough this roofing was only introduced here in 1856, it can be seen on many of the buildings in the city. Also, or most of the Railroads.

I here refer to a few places where this Roofing is in use, and can be seen—Cleveland and Pittsburgh Railroad; at Belie Air; Bridgepert; Martinsville; Pertland; Lugrange; Steubenville; McCoy's; Wellsville; Liverpool and Rochester Stations, and the Mauchester Depot; Pennsylvania Central Railroad; Sprace Cleek Astoria Station, Mill at Tipton and Parsonings at Altoona; Allegheny City, Westminster College, and many other Buildings; Pittsburgh, J. McCully's Warehouse; Ben, Trimble's Hotel; also, numerous others in this city.

All orders left at No. 2.47 LIBERTY STREET, PITTSBURGH, (where samples of the material can be seen,) will receive prompt attention, by W. F. FAHNESTOCK, Agent.
