In attributing such valuable properties to this remedy, no rash or unwarrantable accertion is made, but its simply stated a fact; proven undeniably and conclusively by the extraction of its illustricus originator, Dr. Hoodand, among will classes of European society, and from the immense mass of testimony, from all parts of the American continent, accent proprietor. The prevalence of diseases to which the German Bitters are adested, it is with corrow we say it, is almost universal; indeed there is scarcely a family throughout the whole extent of our country in which there cannot be found among its members that poculiar sallow and languad appearance denoting a diseased liver, or an emaciated and shiving Dyspeptic.

Then of what immense importance to this class of invalitant a certain and reliable remedy should be placed with their reach; one in which ne banefal or injurious drug enrolly with the utmest confidence and certainty, and be assured from a house and classic the virtues attributed to it. Such a remedy of dollars have been exponeded in its nausafes ir and difficults. teally possesses the virtues attributed to it. Such a remap "HOOFLAND'S GERMAN BIFTERS." Thousand teally possesses the virtues attributed to it. Such a remedy as "HOOFLAND'S GERMAN BIFFERS." Thousands of dollars have been expended in its manufacture and diffusion throughout all parts at this continent, and the proprietor feels the greatest satisfaction in stating that there is no state, county, or even village, where the Medicine has been introduced, that there cannot be found numbers willing testify to its virtues.

It is used constantly in the practice of a large number of the most prominent Physicians in the country, who have also added their written testimony in evidence of its great virtues. In conclusion, then, we would respectfully ask of all those afflicted with any of the above diseases to give the Bitters a trial, and rest assured jit will nover be regretted. In proof of the statements above made, all are invited to read attentively the Almanac published annually by the proprietor, for Farmers and Families, containing is great number of useful receipts, in addition to the testimony in favor of the Bitters, from the most prominent and well known individuals in all parts of the Union. All Agents for the Bitters are authorized to distribute the Almanac gratuitously. Principal Office and Manufactory, 96 Arch street, Philadelphila, Pa.

Of all diseases the great, first cause Springs from neglect of Nature's laws. HEN A CURE IS GUARANTEED IN

all stages of SECIRT DISEASES, Self-Abuse, Nervons Deblity, Strictures, Gleets, Gravel, Disbrice, Diseases of the Kidneys and Biadder, Mercurial Rheumatism, Scrofula, Pains in the Bones and Ankles, Diseases of the Lungs, Threat, Nose and Eyes, Ulcers upon the Body or Limbs, Cancers, Dropsy, Epiloptic Fits, St. Vita's Dance, and all diseases arising from a derangement of the Saxnal Organs, such as nervous trembling, loss of manary, loss of power, general weakness, dignical of vision with peculiar spots appear in behing the dyes, loss of sight, wakefulness, dyspepsis, liver diseases, oruptions upon the face, pain in the back and head, fomale irregularities and all improper discharges from both sexes. It matters gg; than what cause the disease originated, however long standing or obstimate the case, recovery is extrain, and in a shorter time than a permanent cure can be effected by any other treatment, even after the disease has baffied the skill of eminent physicians and resisted all the r means of cure. The medicines are plasaant without odor, causing no sickness such tipe, fixed moreury or balam. During twenty young of faccine, I have recoved from the jawa of danth, hadny thousands, who, in the last stages of the above monitoned diseases had been given up to die by their physicians, with warrants mo is promising to the afflicted, who may place themselves under my care, a perfect and most speady cure. Secret diseases are the greatest causies to health, as they are the first cause of Consumption, Scrotala and many other diseases, and should be a terror to the human family. As a permanent cure is scarcely ever effected, a majority of the cares falling into the hands of incompetent person, who not only fall to onro the disease but ruin the occasiuntion, filling the eystem with mercury, which, with the disease, hastens the sufferer late a rapid SUFFER NOT! ruin the constitution, filling the system with mercury, which, with the disease, hastens the sufferer into a rapid Consumption.

But should the classes and the treatment not cause death speedily, and the victim marries, the disease is entailed upon the children, who are torn with feeble constitutions, and the current of the corrupted by a virus which betrays itself in Scrottle, Tetter, theory, Eroptions and other affections of the skin, eyen, threat and lungs, entailing upon them to be reproduced to their new building. WE beg leave to call the attention of the Trade, and more especially the Physicians of the country, to two of the most popular remedies now before the public. We refer to

Dr. Chas. M'Lane's Celebrated Vermifuge and Liver Pills. We do not recommend them as universal Cure-alls, but simply for what their name purports, viz :

THE VERMIFUGE, For expelling Worms from the human system. It has also been administered with the most satisfactory results to various Animals subject to Worms. -

THE LIVER PILLS. For the cure of LIVER COMPLAINTS. all Bilious Derangements, Sick HEAD-ACHE, &c. In cases of FEVER AND AGUE,

As specifics for the above mentioned diseases, they are Unrivaled, and never known to fail when ad ministered in accordance with the

FLEMING BROTHERS, PITTSBURGH, PA. to dispose of their Drug business, in which they have been successfully engaged for the last Twenty Years, and they will now give their undivided time and attention to their manufacture. And being determined that Dr. M'Lane's Čelebrated Vermifuge and Liver Pills shall continue to occupy the high position they now hold among the great remedies of the day, they will continue to spare neither time nor expense in procuring the Best and Purest material, and compound them in the most thorough manner.
