Orphan's Celebration .- The St. r' mi's Reman Catholic Orphan Asylum gives a grand pio nie to day at M'Farland's Grove, which is pleasantly situated on the Pennsylvania Railrand, about four miles from the city. Ample accommodations have been prepared for the thousands of guests expected to be procent. Young's Brass Band has been engaged, and the good things have been previded in great profusion. Trains will leave the Liberty street depot every half hour during the day, after nine o'cleek in the morning. Those wishing to enjoy the day pleasantly, away from the dust and heat of the city, should avail themselves of this opportunity, and at the same time contribute to the support of a deserving charitable institution.

Corner of Smithfield and Front Streets, B. L. FAHNESTOCK & CO., WHOLESALE DRUGGISTS No. 60 corner of Wood and Fourth Streets,

WILSON,) with a confidence such as a long continued and careful trial of them in an emple practice warrants. In their operation as a cathastic, they influence more the motory and lessible secarning power of the lowels than any other combination in common use.

>
> AS A TONIC—They agr. e with the most delicate from ach, remeving nursea, pain, and debility from that organ, and though it impart tone and vigor to the whole system. AS AN ANTI-DYSPEPTIC—They neutralize and interrust the fermation of gazes from the food in the tromach,—the direct consequences of chemical action,—an action which should nover exist in the human stomach. From these peculiarities in the Pills, a person taking them may expect a free, full and natural eracuation of the bowels, without pain, nansea, local or general debility, or that disgusting sickness or costiveness—the usual effects which attend or follow the use of other purges.
