THE PUBLIC HEALTH.

Couring the month of July. We beg our

me clubs to the Weekly Post ex

city, noxious smells arising from the causes we have named exist, and a greater degree of cleanliness around the public dwellings of the city should be enforced. If the Board of Health wish for an example of what we mean, let them pass along Fifth street, between Wylie and Ross streets, opposite the jail. The smells arising from the unclean condition of the row of buildings there located, is past endurance, and does and will cause -sickness. Day and night a foul miasma is perceptible there, which is absolutely poisonous, and some immediate and effectual measures should be taken to remove the nuisance,

or the authorities should declare these premises untenantable and insistupon them being vacated until the owners will correct the evil complained of. There are other localities

which suffer in an equal degree. These pla- nation a Representative ticket to be supported the Rio Grande. Jonathan G.
