JOS. FLEMING,
my20 Geomer Diamond and Market street. ALAD OIL.—10 baskets pure, just rec'd and for cale by REYMER & ANDERSON, No 19 Wood street. Insures Cargo Risks on the Ohio and Mississippi Rivers and tributaries. Insures against loss or damage by Fire, Also, against the Perils of the Sea and Inland GENTLEMEN'S DRESS GOODS, COR. PENNA AVENUE & THIRD ST. receives the preference over all other kinds over offered for family use.

Its advantages over other Soaps are —1st. It is cheaper to use, one pound being equal to three of common rosin Soap. 2d. Half the time need only be occupied in washing when this isoap is used in piace of other Soap. 3d. Labor in washing can be nearly dispensed with, as the clothes will require little if any rubbing, thus avoiding their wear on the wesh-board. 4th. Boiling the clothes is unnecessary when this Soap is used, and hard or sale water answers equally as well as soft. 5th. Printers, Machinists, Painters and others, find it far superior to other Soaps. It speedily removes grease, tar, paint, printers' ink and dirt from the hands, leaving the shin soft, and free from chapping.

To avoid the labor of rabbing the clothes, and the use of the wash-board, the following directions should be followed:

For the waching of eight or ten of a family, take one poind of Soap, cut it into shavings, and dissolve in one gallon of hot water; put the clothes into a tub containing about ten gallons of warm water; pour in the dissolved Soap, and silt thoroughly. Lot them soak twenty to thirty minutes, wring out, and rinse in warm water once, cold water twice. A vory dirty wrist-band, or seam, or grease speeds, may require a slight rubbing, but otherwise the clothes will come out clean and white, without rubbing or beling. Cold water may be used in place of hot, requiring about double time in souting.

EObserve our name on each bar.**
