Ask for a through ticket, the price National Democracy, to observe the avidity and which still stands, not as one on a sure is only \$13. The "lightning express," at 1 with which the Black Republican or Union foundation, but as one upon the quicksands of o'clock, P. M., is the best train. You reach superstition, biogotry, and fanaticism, which the Pittsburgh about 3 o'clock, A. M., rest several winds of religious liberty, good order, and moral sociality are fast blowing to decay.

The original internal arrangements of this temple were rather interesting to the visitor .-The building is two stories high, of twenty-six feet each, having a large attic; each story had the Democracy, are compelled to stand aside four pulpits, or priestly desks, at either end, one rising above and in rear of the other, and indicating by certain letters in front the official character of the priests. In the centre, the seats for unsound. To have been a Democrat, and to the multitude were arranged much like those in our churches at the present day, except that they were moveable, so that the congregation might face either east or west, (the pulpits being at the east and west ends.)

Overhauging the audience were four curtains on rollers, so situated that when unrolled the house would be divided into four equal compart-Americans, to see such men as Gov. Reeder ments, each having a speaker, and each speaker occupying the chief seat in their State Con- having a similar screen or drop curtain to exclude his appearance from three-fourths of the

house and congregation.

The attic was divided into four compartments for schools, designed to teach the Hebrew language. A celebrated Hebrew scholar, named Seixas, a gentleman to whom the Rev. Dr. Stewperfections thick upon their heads," been art often referred for Hebrew authority, had at warmly welcomed and most highly honored times a very flourishing school among the Saints. In this place Brigham Young lived, at one time a Methodist preacher, and was converted (or professed to be) to the faith of the Saints,

> The Association in a short time became unpop bered with the things that were. The mills, shops and stores, and many of the dwellings are decayed, torn down, or unoccupied. There yet stands, however, a large unoccupied three story house, known as the "Boston House," built by two maiden ladies converted to the Mormon faith.
