The old General is always victorious	advertise as much and in as many papers as they did in the best times. While business creates advertising, it is equally true that advertising creates business. It creates a talk and a stir in business circles, and reminds people that they have no right to be leading drones' lives, even though the times bo dull. And even in the worst of times, advertising always pays well, and the more of it there is, the greater will be the business activity, the more free will be the circulation of money, and the sconer will we be restored to a condition of prosperity. —Some wag, writing from Cairo, Ill., since the subsiding of the flood, says there are now in that city four hundred and fifty-two distinct and different smells, and several words yet to hear	 We have still to record many wonderfal cures of- fected by this remedy, but must wait another oppor- tunity.
