LOCAL AFFAIRS.

Another Victim of Intemperance. On Saturday morning a woman named Ann Ful-lerton, about thirty-five years old, was found lying dead on the floor of the room in which she resided with her husband, in a house on Fifth street, near Liberty, opposite the Excelsior omnibus station. The Coroner was immediately called, and forthwith summoned a jury, who proceeded to inquire into the cause of her death. Her husband stated that she was in the habit of indulging freely in intoxicating liquers, and that on Monday, after drinking a large quantity of whisky she was seized with a vomiting which could not be checked until Friday. It protrated her very much; on Friday night they retired to bed; towards morning the husband awoke, and found her lying on the floor. He spoke to her and then went to bed again, and on rising at the usua hour in the morning he discovered that life was ex-tinct. The jury returned a verdict of death from intemperance, and as the family were destitute, the body was interred at the expense of the city. Her husband stated that she had taken no liquor since Monday, when she was first attacked with the riclent symptoms which in all probability terminated It is said that Fullerton has been living a life of dissipation, but it is to be hoped that the ter rible end of his wife may have a salutary effect in preventing him from following in like manner.

Cricket .- The cricketers are still in the field-tw games, well attended, have been played on the ground f the Olympic at Oakland since the Cincinnati club left, and on to-night (Monday) a meeting is to be held at Chessman's to hear a report and conclude arrangements for an interesting match, "married and single," from the cricketers of Alleghony county, to come off on Thursday of this week. We understand that the Union Club of Cincinnet

upon their return, passed highly complimentary resolutions to the cricketers, the citizens, the St. Clair Hotel and to the press, for their reception and entertainment, promising to return the civilities in Cincinnati, should the Olympics visit there this fall. Go in, boys, and win if you can.

Profanity Punished .- On Saturday, a woman nam ed Margaret Emmett, alias Maggie Mitchell, was ar-rested and taken before Alderman McCano on a charge of disorderly conduct, for which he sentenced her to thirty days in the county jail. At this treatment Maggie's wrath kindled, and she let fly a volley of the choicest billingsgate in the Magistrate's office. When she got through, the Alderman, under an old and almost obsolete law of the Commonwealth, imposed a fine of sixty-regen cents for each oath, and Maggie having induled in twenty-five, her bill mounted to the snug little sum of \$16 75, which she was unable to pay, and the Magistrate added twenty five days to the term of her imprisonment, in

Shooting Match .- A shooting match took place at Snyder's Hollow, near Alleghen; City, on Saturday afternoon, between Irrael Jenes, of Ross township, and Squire Graham, of Sharpsburg. The match was for \$10 a side. Jones using an old smooth bore rifle and Graham a long barreled one. The distance was one hundred yards, five shots, Jones took the purse, making a string of sixteen inches, while Graham's string was nireleen inches. After the match was decided, Graham shot again and made a string of seven inches in five shots. Jones and Graham both have the reputation of being crack marksmen. Several small sums of money were staked by outsiders on the

Gallagher, Secretary. In Jail Again .- "Plumper" Graham, who has figured frequently in the police reports of late, was sent to jail by Mayor Weaver for further hearing to day, on a charge of surety of the peace, preferred by his wife. Ho has just been released from jail on bail, where he had been sent by Alderman Lewis on a similar charge. His wife states that he has been

following her about, making threats, and that she is afraid he will murder her. Divorces.—In the Court of Quarter Sessions on Saturday, the petition of Thomas Wilson, for a divorce from his wife Susan, was granted, she failing to appear and show cause why it should not be. The ground of the application was adultery. The petition of Frederick Bluckbaum, for a sepa ration from his wife Josephine, was also granted on the same ground, she also failing to appear.

Unscated Lands.—The Court of Common Pleas spent an hour on Saturday morning in hearing ac knowledgments of deeds for unseated lands sold b the County Trensurer, last week, for taxes in 1856 and 1857. The quantity of property sold for taxes is smaller this year than last, the deeds numbering only 126 against upwards of 200 last year.

Not the Man.—A German was arrested on Thurs. day last, at a place called Jimtown, Monroe county, Obio, on a charge of being the man who is supposed to have murdered his wife recently, near this city. A short examination showed that the wrong passenger had been disturbed in his slumbers, and he was

Horse Stolen .- On Tuesday, the 13th inst., a man, calling himself William Monroe, hired a mare of Mr. Valentine Steckman, of Bedford, saying that he wished to go to Kellerman's Mills, in that county. Instead, however, of returning the mare, he took her on to Cumberland, Md., where he tried to sell her. Mr. Steckman pursued him, but did not succeed in overtaking him. The mare has, however, since been

Discharged.—Richards, the barkeeper accused of the assault on William Sparks, who died on Friday night, had an examination before the Mayor on Saturday morning. No new evidence was introduced against him, and several witnesses testified to hav-ing been in the bar-room at Tracey's at the time of the alleged assault, without seeing Richards offer any violence to Sparks. He was accordingly dis-

charged from custody. Surety.-Hamilton Needs, the man who was so badly cut by Jacob Schwambley some time since, was committed to jail by Aldorman Wilson on Satur- GRAVEL ROOFS day in default of bail in two hundred dollars, on charge of surety of the peace, preferred by Jacob

New York Herald announces that the President has set aside, by a pardon, the sentence of George S. Selden, Esq., of this city, recently imposed by Judge Irwin, of the U. S. Circuit Court, for contempt. Itlantic Telegraph.-Latest advices received from Clark's News Depot, through the medium of the steel

pen, written with his most valuable writing fluid, which admit the penman to write with the speed of electricity. It is shocking to know that such advantages are in reality presented to the public, who are so dull of comprehending its true value. Ask editors who use the article for mailing. The editor of the Republikaner says there is no ink like it. You can obtain this superior writing fluid at J. B. D. Clark's No. 4 Girard House.

Fiendish .- On Thursday evening of last week, some scoundrel set fire to the bridge on the Steuben wille and Indiana Railroad, near Ubrichsville, b bering large holes in the timbers, filling them with FIFEBURGH BOARD OF TRADE AND Spirits of turpentine, and setting it on fire. A freight train was due, and when it came along the fire was under headway, the sides of the bridge being in a under headway, the slate of the bridge coing in a blase. The engineer and fireman, thinking the bridge would give way, put down the brakes and jumped, but the train passed over in safety and with great exertion the fire was extinguished, having sus-

ained considerable damage. A Full House,-At the Mayor's leven vesterday morning, there were thirty-two cases from the watch house, a motley collection of black and white humani The extent of their effending, however, was irunkenness and discrderly conduct, and they were disposed of in the usual manner.

MEDICAL. DR. R. A. WILSON'S Tonic, Cathartic, and Anti-Dyspeptic PILLS.

PREPARED AND SOLD BY WHOLESALE DRUGGISTS,

No. 60 corner of Wood and Fourth Street

PITTSBURGH, PENN'A. A S AN EFFICIENT, safe and convenient AS AN EFFICIENT, safe and convenient tonic, catuartic and anti-dyspeptio medicine, these Pills are recommended to the public by the former proprietor, (DR. WILSON,) with a confidence such as a long continued and careful trial of them in an simple practice warrants. In their operation as a cathartic, they influence more the motory and less the secenting power of the bowels than any other combination in common use.

AS A TONIC—They agree with the most delicate stomach, removing nausea pain, and defility, from that organ, and through it impart tone and vigor to the whole system.

AS AN ANTI-DYSPEPTIC—They neutralize and interrupt the formation of acids, check fermentation, and prevent the elimination of gases from the food in the atomach,—the direct consequences of chemical action,—an action which should never exist in the human stomach. From these peculiarities in the Pills, a person taking them may expect a free, full and natural evacuation of the bowels, without pain, nausea, local or general debility, or that disgusting sickness or costiveness—the usual effects which attend or follow the use of other purges.

Messus B. L. Fainnerook & Co.—I have had considerable experience in the use of the extraordinary Pill compounded by Dr. R. Adams Wilson, of which you are now the proprietors, and have ofton felt their benign influence in my own case for "norvous headache," arising from a disordered condition of the stomach. I have likewise prescribed them for others, in cases of "hemicranis" and other forms of headache depending on a deranged and irritable condition of the stomach and digestive organs, of which they seem peculiarly adapted, being entirely free 'rom any griping tendency. I regard them as a very valuable Pill, and one that purges without at all debilitaring. Yours truly, without at all debilitaring. Yours truly,

Ann Arnor, November 5, 1856.

Prof. O. J. Wood—Desr Sir:—I have heard much said of the wonder ful effects of your Hair Restorative, but having been so often cheated by quackery and quack nostrums, hair dyes, &c., I was disposed to place your Restorative in the same category with the thousand and one loudly trumpeted quack remedies, antil I met you in Lawrence county some months since, when you gave me such assurance as induced the trial of your Restorative in my family—first by my good wife, whose hair had become very thin and entirely white, and before exhausting one of your large bottles, her hair was restored nearly to its original beautiful brown color, and had thickened and become beautiful and glessy upo a, and entirely over the head; she continues to use it, not simply because of its beautifying effects upon the head and taind. Others of my family and friends are using your Restorative, with the happiest effects herefore, my skepticism and doubts in reference to its character and value are entirely removed; I can and do and most cordially and confidentially recommend its use by all who

you claim for it.

Again, very respectfully and truly, yours,

BOLOMON MANN.

CARLYLE, Ill., June 23, 1852.

I have used Prof. O. J. Wood's Hair Restorative, and have admired its wonderful effects. My hair was becoming, as I thought, prematurely gray, but by the use of his Restorative it has resumed its original color, and I, have no doubt, permanently so.

It has done all that you assured me it would do; and others of my family and friends, having witnessed its effects, are now using and recommending its use to others as entitled to the highest consideration you claim for it.
