

FOR SUPREME JUDGE, WILLIAM A. PORTER, OF PHILADELPHIA. FOR CABINET COMMISSIONER, WESTLEY FROST, OF FAVERITE COUNTY.

THE ELECTION IN KANSAS.

On Monday, the inhabitants of Kansas exercised the right of determining whether they will embrace the happy privilege of being citizens of an independent State under the Lecompton Constitution...

There is still much of principle underlying this contest, but it is out of Kansas, and never was in it to any appreciable extent.

After that period he earned up in politics, joined with the Americans and Abolitionists, and declared hostility to everything Democratic.

VARIOUS THINGS. Mrs. Cunningham says she is not married to Boker, and has not seen him since the murder trial.

Two failures of the Telegraph Expedition in the late fall, was a source of great regret to the public generally.

—A young gentleman, who had studied at a celebrated University, and having a strong proclivity for anatomy, took great pleasure in attending on dissections.

—A young gentleman, who had studied at a celebrated University, and having a strong proclivity for anatomy, took great pleasure in attending on dissections.

—A young gentleman, who had studied at a celebrated University, and having a strong proclivity for anatomy, took great pleasure in attending on dissections.

—A young gentleman, who had studied at a celebrated University, and having a strong proclivity for anatomy, took great pleasure in attending on dissections.

Hanged, Not Killed. Magee, the murderer recently hung in Boston, was probably not killed, and possibly might have been resuscitated; at least such was the opinion of one of the physicians who attended his subsequent dissection, based on the long continued and regular action of the heart.

Another case is narrated in the British Review, June 12, 1790, with the remark of the editor, "Casuists may amuse themselves with settling whether the following action be ranged under the title of justice or humanity."

"A young gentleman, who had studied at a celebrated University, and having a strong proclivity for anatomy, took great pleasure in attending on dissections.

"A young gentleman, who had studied at a celebrated University, and having a strong proclivity for anatomy, took great pleasure in attending on dissections.

THE LATEST NEWS BY TELEGRAPH.

From Washington. Washington City, August 2.—In addition to the steamer Water Witch, Patton and Hamilton, the last three carrying sixteen guns, have been ordered to take part in the expedition against the pirates.

A despatch from Gen. Johnson to the War Department states that the engineers are engaged in the selection of a site for permanent fortifications south of the city. Further than this the advice contains nothing of special interest.

Secretary Floyd and Thompson have returned to Washington. The Mississippi Central Railroad Company promises to perform mail service between New Orleans and Washington City in four days, two additional trains daily, commencing yesterday, having recently been allowed for the fulfillment of the contract, that being the point of failure.

Mr. Cass privately replied to Governor Stearns' public notice to the effect that the Hudson Bay Company's alleged illegal river and mining tax, assuring him that he will give the subject his prompt and earnest attention. Strong efforts are being made in behalf of Mayor Vaux, of Philadelphia, for a foreign mission.

The Southern mail of this evening, New Orleans dated last Monday, were received, the mail having been carried through in four days and a half. The accounts from the interior of Louisiana of the cotton crop are highly favorable.

The steamer Van der Bilt, from New York, arrived at New Orleans, August 2.—The Tribune learns from a gentleman just arrived from Minnesota that a bloody battle occurred Tuesday a back of Hudson Bay, in which the Indians were defeated.
