Tonic, Cathartic, and Anti-Dyspeptic

PILLS LEEPARED AND SOLD BY

WHOLESALE DRUGGISTS, No. 60 corner of Wood and Fourth Streets,

AS AN EFFICIENT, safe and convenient to tonic, cathartic and anti-dyspeptic medicine, these fills are recommended to the public by the fermer proprietor, (Dit. WILSON,) with a confidence such as a long convenience of the public by the fermer properties. ctor. (Dit. WILSON.) with a confidence such as a long continued and careful trial of them in an emple practice warrants. In their operation as a cathartic, they influence more the motory and less the secerning power of the bowels than any other combination in common use.

AS A TONIC—They agree with the most delicate stomach, removing nausea, pain, and debility from that organ, and through it impart tone and vigor to the whole system. AS AN ANTI-DYSPEPTIO—They neutralise and interrupt the formation of acids, check fermentation, and prevent the elimination of gases from the food in the stomach,—the direct consequences of chemical action,—an action veut the elimination of gases from the food in the stomach,—the direct consequences of chemical action,—an action which should never exist in the human stomach. From these peculiarities in the Pills, a person taking them may expect a free, full and natural evacuation of the bowels, without pain, nausea, local or general debility, or that disgusting sickness or costiveness—the usual effects which at tend or follow the use of other purges.

Messes. B. L. Fahnestock & Co.—We were the first to increduce Dr. R. Adams Wilson's Pills here many years ago.
They were the best Pill ever in this market. We use no other in our own families, and secured for them a high tharacter by our recommendations. Yours, traly,

Messes, B. L. Fahnestock & Co.—Dear Sir: I have seen Dr. R. A. Wilson's Pills used for the agus with good effect; I have used them myself, and believe them to be the best Pill in use I have no doubt they will cure many other complaints when properly used, and I cheerfully recommend them to the public. Washington, Pa. January 8, 1858—Dear Doctor: I have
been using your "Anti-Dyspeptic" Pills, when occasioned
required, for many years, and can truthfully say that I have
never found any medicine equal to them in relieving me
from affections of the stomach and head. They have never
failed to relieve me from headache, and have always left
my system in better condition they found it. I must confidently recommend your Pills as a safe and highly valuable
medicine. Very respectfully, etc.. dently recommend your Pills as a safe and highly valuable medicine.

From Thus. Blackmore, Egq., Treasurer of Allegheny Co., Pa.

To 1s. R. A. Wilson.—Dear Sir: I have been using your Pills since 1840, and do decidedly say they are the best Pill in use, or that I have any knowledge of. I first used them for "sick headache," with which I suffered beyond description; I am happy to say, that they entirely cured me. Since then I use them as a family medicine: if I am bilious, or anything alis me, and I require medicine, I take a Pill, and It cures me; they are my only medicine, and have been for the last seventeen years.

Hear Dr. Keyser.

Messus. B. L. Farnestock & Co—I have had considerable experience in the use of the extraordinary Pill compounded by Dr. R. Adams Wilson, of which you are now the proprietors, and have often felt their benign influence in my own case for "nervous headache," arising from a disordered condition of the stomach. I have likewise prescribed them for others, in cases of "hemicrania" and other forms of headache depending on a deranged and irritable condition of the stomach and digestive organs, of which they seem peculiar. stomach and digestive organs, of which they seem peculiarly adapted, being entirely free trem any griping tendency. I regard them as a very valuable Pill, and one that purges without at all debilitaring. Yours truly,
