DR. R. A. WILSON'S Tonic, Cathartic, and Anti-Dyspeptic

PILLS

PREPARED AND SOLD BY Corner of Smithfield and Front Streets, B. L. FAHNESTOCK & CO.

WHOLESALE DRUGGISTS. No. 60 corner of Wood and Fourth Streets,

PITTSBURGH, PENN'A.

S AN EFFICIENT, safe and convenient to touic, cathartic and anti dyspeptic medicine, these Pills are recommended to the public by the former proprictor, (DR. WILSON,) with a confidence such as a long continued and careful trial of them in an smple practice warrants. In their operation as a cathartic, they influence more the motory and less the secenting power of the bowels than any other combination in common use.

As A TONIC—They agr.: with the most delicate stomach, removing nauses, pain, and debility from that organ, and through it impart tone and vigor to the whole system. As An Anti-Dyspeptio—They neutralize and interrupt the fermation of scids, check fermentation, and prevent the elimination of gases from the food in the stomach,—the direct consequences of chemical action,—an action which should never exist in the human stomach. From these pscullarities in the Pills, a person taking them may expect a free, full and natural executation of the bowels, without pain, nauses, local or general debility, or that disquating sickness or castiveness—the usual effects which at tend or follow the use of other purges.

Extract of a letter from H. F. Furnicorth. & O., Druggists, Memphis, Tennessee, January 7, 1868.

MESSAS, B. L. FARNESTOCK & Co.—We were the first to increduce Dr. R. Adams Wilson's Pills here many years ago, other in our own families, and secured for them a high tharacter by our recommendations. Yours, traity.

Extract of a letter from G. W. Irvin, Nashville, Tennessee, Petruary 15, 1858.

MESSAS, B. L. FARNESTOCK & CO.—Dear Sir: I have seen Or. R. A. Wilson's Pills used for the agus with good effect; i have used them myself, and believe them to be the best Pill in use I have no doubt they will care many other complaints when properly used, and I cheerfully recommend them to the public. Respectfully, yours,

From Thos. Blackmore, Esq., Treasurer of Allegheny Co., Pa.
To i R. R. A. Wilson.—Dear Sir: I have been using your
Pills since 1840, and do decidedly say they are the best Pill
in use, or that I have any knowledge of. I first used them
for "sick headache," with which I suffered beyond description; I am happy to say, that they entirely cured me. Eince
ther I use them as a family medicine; I f am billous, or
anything alls me, and I require medicine, I take a Pill, and
it cures me; they are my only medicine, and have been for
the last seventeen years.

Missers. B. L. Fahnsfors & Co—I have had considerable experience in the use of the extraordinary Pill compounded by Dr. R. Adams Wilson, of which you are now the proprietors, and have often felt their benign influence in my own case for "nervous headache," arising from a disordered condition of the stomach. I have likewise prescribed them for others, in cases of "hemicrania" and other forms of headache depending on a deranged and irritable condition of the atomach and digestive organs, of which they seem peculiarly edapted, being entirely free from any griping tendency. I regard them as a very valuable Pill, and one that purges without at all debilitaring. Yours truly,
