A T THE BUFFALO PRIVATE HOSPI
TAI.—Established for the cure of Syphilit, Seminal
Weakness and the Secret infirmities of Youth and Matanty,
by Dr. AMOS & SON, Buffalo, N. Y. Office corner of Main
and Quay streets, (up atairs.)

A MOSE BOILENTIFIC INVENTION.

An instrument for the cure of Genical Debility, or Nocturnal Emissions, more properly known as Seminal Weakness,
&c. Can be permanently cured in from fifteen to twenty
days, by the use of this instrument, when used conjointly
with medicines.

YOUNG MEN TAKE PARTICULAR NOTICE.

Dr. AMOS & SON take pleasure in announcing that they
have invented a most impertantiasts ument for the cure of
the above diseases. It has been subjected to a test by the
most eminent physicians in London. Paris, Philadelphia and
New York; it has been declared the only useful instrument
ever yet invented, for the cure of Seminal Weakness, or any
diaeses of the genital organs, caused by the scored habits
of youth.

Dr. AMOS & SON, in order to satisfy the next stentical

disease of the genital organs, caused by the secret habits of youth.

Dr. AMOS & SON, in order to satisfy the most skeptical as to the merits of their instrument, plodge themselves that in any instance where they may prove unsettisficity after fair trial, the money will be refunded by refurning the instrument in good order.

Persons wishing the above useful Instrument will observe that the price, with the accompanying directions, securely packed and sent by express, is ten dollars.

The cure effected without confinement or hindrance from business; also, nodes and pains in the bones and limbs, effectually oradicated.

A CHRE WARRANTED.

Dr. AMOS & SON have devoted their attention exclusive ly to this peculiar class of maladies, and the relief they have consequently been enabled to render to their fellow-creature s fully testified and greatfully acknowledged by convales centpatients and others daily arriving in town from all parts of the country, for the express purpose only of consultations while their exertions have been crowned with the most signal advantages; yet-from what they have subays entertained the possibility of their prevention and removal, and likewise invariably found that the most horrible and mangnant forms of disease could aimost always be traced to one of the following causes:—lignorance, neglect, or the ill effects of unskilfed and improper treatment; therefore, Dr. AMOS & SON have succeeded in discovering, in the selection of their remedie COUNTRY INVALUE.

Persons in any part of the world may be successfully treated by forwarding a correct detail of their case, with a remittance for medicines, &c.
