Trooly jures, Kittanning University .- Having obtained a charter rom Logislature last winter for a University to be located in Kittanning, the citizens of that place have, with commendable promptness, made the necessary arrangements for its establishment. In addition to the usual branches of education, it is in-

tended also to combine a law and agricultural school. In the law department the following gentlemen are announced as at present composing the John B. Finlay, L. L. D., Chanceller, and Presi-Hon. Joseph Buffington, Professor of Civil, International and Common Law. Darwin Phelps, Esq., Professor of Statute and Edward S. Golden, Esq., Professor of Commercial Law, Equity and Evidence.

courts of the State. The school is expected to open on the first of No rember next. Miss Henry.—It gives us unfeigned pleasure to announce that at ten o'clock last evening the symp-

toms of Miss Henry for recovery were more favorab'e than they have been at any time since the unfor tunate occurrence which endangered her life. The report of the physicians last evening was very encouraging. Still she is not out of danger-no intake place. The house is continually besieged by visitors and friends all anxionsly inquired after the boalth of Miss H. The entire community manifest a deep and painful interest in the result of this melancholy affair, indeed much greater than is usual. We, in common with all the community, sincerely trust that the present favorable symptoms may continue, and that the unfortunate young girl may soon

be restored to health and usefulness.

Smithson was committed for further hearing to day, but Mayor Weaver will not examine him, and a further commitment will be ledged against him until the result of Miss Henry's wound is ascertained.

Mr. Taylor .- It is pleasant, in these days of innovation and humbuggery, to witness occasionally a meritorious representation of the legitimate draw such as was offered at " Porter's Pittsburgh Theafre, last evening, when the storling old play of "Damon and Pythias" was presented: The cast of characters was excellent, and each part was well executed. Mr. J. H. Taylor, who will be remembered by many of Gov. Porter's old patrons, as a young actor with all the elements of success, sustained the character of Daman, and we are constrained to say that his conception and execution of the author's meaning were both excellent, and that at a whole his acting and direct manner by innalation, for, as below stated, the was far superior to anything we have lately seen on Pittsuurgh boards. > Up Again .- Thomas Gallagher and some other persons will have a hearing before Mayor Weaver to-day, on a charge preferred by Andrew Sheehan, representing themselves as members of the night water. One of them called himself Gabriel Kelly. Sheehan admitted them, when they took what they wanted to eat, and after raising a great disturbance, wont away. Warrants were issued.

The missing boots were found on his feet, and restored to the bail imposed, would have been obliged to go boot less, had it not been for the kindness of the Mayor, who provided him with another pair.

A Man named Peter Graff, some thirty years of age, arrived in this city on Saturday last from the vicinity of Port Perry, and was conveyed to the hospital of Dr. Waters, where he is suffering from a terribly swollen limb. He fell from a hay stack one day last week, and on alighting was struck by a pitc fork, which penetrated the upper part of his right leg, inflicting a severe wound.

DR. R. A. WILSON'S Tonic, Cathartic, and Anti-Dyspeptic PILLS

PREPARED AND SOLD BY WHOLESALE DRUGGISTS.

AND PROPRIETOR OF B. L. FAHNESTOCK'S VERMIFUGE. Warehouse, No. 27 Wood Street, No. 60 corner of Wood and Fourth Streets

PITTSBURGH, PNNN'A THESE PILLS HAVE NOW, TO Dimited extent, been before the public in this section of the country for a period of over twenty years, and from the fact of their not being more generally known throughout the length and breadth of the land, it might, perhaps be inferred that they are lacking in some of the great easen

of the country forja period of over twenty years, and from the fact of their not being more generally known throughout the length and breadth of the land, it might, perhaps, be inferred that they are lacking in some of the great essentials of a family medicine, or that there are other Pills their superior, etc., but such, however, is not the case, their supply from a want of disposition or ability, on the part of the original proprietor, (Dr. Wilson,) was always limited to such an extent as at times to render it difficult to fill home orders, but with even this disadvantage wherever used they have never falled to call forth the strongest testimony in their favor—testimony in many instances unsolicited—not gotten up expressly for publicity—but freely profiered to the inventor as expressions of gratitude for the great benefits derived from the use of these truly wonderful Pills, in proof of which we subjoin the following—

We, the subscribers, Ministers of the Gospel, and members of the Pittsburgh Annual Conference of the Methodist Episcopal Church, having each and all of us, during the past few years, had frequent opportunities of learning and trying the character of Dr. R. A. Wilson's Tonic, Cathartic, and Anti-Dyspeptic Pills, are prepared to, and now state with pleasure, in this communication, thai we know them to be an excellent medicine, and, as such, recommend their use to our friends and acquaintances, not only as a specific for Sick-Headache and Dyspepsia for which they are recommended, but as a safe family remedy among children, and for the prevention and removal of Bilious attacks, etc.

Revs. Jas. G, Bansom, Wm D. Lemon, Jno. L. Williams, Thos. McGrath, J. M. Reger, Wm. Smith, N. Callender, B. Brockunier, C. D. Battle, John West, Wm. Tipton, O. Hodgson, John Murray, S. B. Dunlop, Dr. J. J. Jamison.

From the Corresponding Conference of the Methodist Protestant Church, signing the same.?

Revs. Geo. Brown, Geo. Hughes, Joel Dolby, Jr., Z. Ragan, Jer. Browning, Wm. Ross, Robt. Simonton, Jno. Clark, Jas.

From the Rev. I. S. Hubbard, Ohio, Oct 27, 1839.

Dr. Wilson:—I feel myself a thousand times obliged to you. I have for some years been afflicted with the dyspepsia and, from the good effects already produced by your pills in my case, I am persuaded that the continued use of them will finally effect a thorough cure; I therefore, wish you to send me four boxes by the bearer of this, and oblige yours, etc.

Extract of a letter from Col. Camp, an elderly gentleman of Virginia, who has raised a numerous family, of some medicine reading, an i much experience in the use of medicine.

I do most earnestly hope that you will adopt some plan o supply us with your most excellent Anti Dyspeptic Pill. have been in the nabit of using it myself, and in my family, from the time you first brought them into use in our seighborh and upon all occasions have found them to uswer the parpo o for which they were ad answer the partons for which they were administered. My wife has been very much afflicted with sick headache, and, by using one-half of one of the pills, has uniformly found relief. I think it superfluous to enumerate the different complaints for which I have administered these pills. Suffice it to say that, so far as the numerous complaints set out in the wrapper have fallen under my notice, the pill has had the desired effect in removing the same; and so far as myself have been concerned, I can say that they leave the towels in better order than the use of any other cathartic that I have used, hat I have used. l am, sir, your friend and well-wisher, JAMES M. CAMP.
