Our little son's head for some time had been perfectly cov-ered with sores, and some called it could head. The hair al-most entirely came off in consequence, when a friend, seeing his sufferings, advised us to use your Restorative, we did so with little hope of success, but, to our surprise, and that of all our friends, a very few applications removed the disease all our triends, a very lew applications removed the disease entiroly, and a new and invuriant crop of hair soon started out, and we can now say that our boy has as healthy a scalp, and as invuriant a crop of hair as any other child.
