tis effects were so wenderful, we feel it our duty to you and the afflicted, to report it.

Our little son's head for some time had been perfectly covered with sores, and some called it scald head. The hair almost entirely came off in cobsequence, when a friend, seeing his sufferings, advised us to use your Restorative, we did so with little hope of success, but, to our surprise, and that of all our friends, a very few applications removed the disease entirely, and a new and luxuriant crop of hair soon started out, and we can now say that our boy has as healthy a scalp, and as luxuriant a crop of hair as any other child. We can therefore, and do hereby recommend your Restorative, as a perfect remedy for all diseases of the scalp and hair.

We are, yours respectfully. Wo'are, yours respectfully.
