DENNSYLVANIA STATE FAIR. Horrible Affair near Columbus-A Mother Murders her Four Children by Drown-FAIR GROUNDS-NINTH WARD. ing them in a Well. We learn from the Columbus Statesman, of Thurs. day, the particulars of a most shocking crime-the THURSDAY, SEPTEMBER 80; and FRIDAY, OCTOBER 1, 1858. LOCAL AFFAIRS. On Saturday morning we visited the grounds on which the State Fair is to be hold, and were surprised and gratified at the indications exhibited of a successful and entertaining Fair. Quite a number of from the wolding party until daylight, and before that time a lady neighbor, having occasion to draw water from the woll, had discovered the bodies of Mrs. Schilling and the four children floating on the surface. The shill draw much have a base of improvements are being made on the grounds, and everything which can contribute to the comfort of visitors will be done. Additions have also been

made to several of the buildings. A hall forty feat long by twenty-four, called Maurface. The children were a boy of ten years, and the three girls aged respectively twelve, five and two chinest's Hall, has been erected. A steam engine, manufactured by Wm. Barnhill & Co., is erected in years. The mother was aged thirty-six.

this building, with shaft running from end to end for propelling machinery by soam. At the farther end wings have been erected, increasing the width to for-ty foot, both of which are, we are informed, to be Aquatic Sporting,-On Saturday afternoon two races took place over the Monongahela course, which, however, excited little attention in sporting circles. The first was between the "Jo French" and "J. P. used as a receptacle for sowing machines, which are Brelsford," in which the latter was beaten a fev to be worked by steam power. Floral Hall has been enlarged to accommodate all, lengths. Soon afteward two crafts, of the flat bot-tom or scow order, the "Old Dad," manned by and its dimensions are one hundred and ten feat by Fifth Ward boys, and the " Capt. Evans," manned by eighty. A constant supply of water has been convoyed to the grounds, and it is contemplated to erect s jet or fountain in the middle of the hall, with consult of the race was that the "Old Dad" was bestcosled music, which will add much to the attractive. en by some thirty seconds. The time of these races ness of this department. Mr. M'Kenn hes reserved one hundred feet here for his plants, and numerous

was so poor that we will not report it. A third race was announced, between the "R R lodgers" and "J. S. Hall," but a story having got and by Alex. R. Reed has made an addition of fourteen wind that the race was to be sold, a bargain having feet in length to Domestic Hall, for the exhibition of been made by sone of the oarsmen, the "Hall" did Wheeler & Wilson's Sewing Machines, for which he not make her appearance. The "Rodgors" rowed, over the course and claimed the purse. The "Rod-gers 'had put up \$100, and the "Hell" \$75. The is the agent in this city. A number of girls will be employed in operating these machines. Artists' Hall bids fair to be the point for a fine judges have not yet decided whother the "Rodgers" lieplay. We learn that the fine family group by

is entitled te the money. It will most probably be a question for the New York Clipper or Porter's Emil Forster, Esq., which has attracted so much attention at former State and County Fairs, will be on exhibition. Mayor Weaver will also place in this de-partment the "Rogues' Gallery," from his office. partment the "Rogues' Gallery," from his office. Homicide in Lawrence County.—A man named This is a good idea, as it will give many strangers Charles Barber, a citizen of Lowell, Ohio, was killed

visiting here a knowledge of the general appearance on Wednesduy afternoon last, in Mahoning township, the thieves, pickpockets, etc., which in fest the Lawrence county, on the Lowel road about one and ountry, and place them on their guard against a half miles above Edenburg, by Muse Elrod, of North Beaver township. It appears that Barber in-tended to remove from Lowell to Lawrence county, The stalls erected for cattle, horses, sheep and pigs, have been found insufficient to accommodate and for that purpose had engaged Elrod, with his team, to move his furniture. While on their way all, the great majority of them being already taken, and carpenters were engaged on Saturday in putting they procured some liquor-drinking and riding to up a large number of additional pens for sheep and her in the wagon-a misunderstanding ensued-

Eirod tarned his team to go back-Barber struck Eirod, who in turn struck Barber with his fist, after Near the entrance to the grounds a shed has been erectel for the purpose of showing the practical working of the concentrated lye in the manufacture which he took the board used for a seat, struck him over the head and knocked him out of the wagon. working of the concentrated ty in the manufacture of soap, which will be illustrated by the conducting of the process in the building. Near by, another small building has been creeted Near by, another small building has been creeted by private enterprise, in which a new method of pre-serving meats and vogetables will be exhibited, The ble and died soon afterward. Elrod gave himself exhibitor has, we are informed, already sold the bailding and the right for this vicinity. up and is now in prison awaiting trial. He expresass deep contrition for the unfortunate occurrence. Barber was a married man, but left no children.

Quite a number of choice fowls are already on the ground, the property of Mr. Dorwart, of Lan-caster, consisting of the finest varieties of ducks, A Good Commercial Education is, in this country, geere and chickens. Several entries have been made a fortune to any young man of sober, steady habits. The constantly increasing demand for clerke, caused in this department, and it is found that it will be ne possary to double the space occupied by poultry. by the increasing commercial business of the country, Mr. Taggart, the Secretary of the Society, who is a the opening up of new avenues for trade by thorough Agriculturalist, will exhibit over one han. medical reading, and much experience in the use of medicine. I do most earnestly hope that you will adopt some plan to supply as with your most excellent Anti-Dyspeptic Pill. I have been in the a bit of nating it myself, and in my fami ly, from the time you first brought them into use in our neighborhood, and upon all occasions have found them to answer the purpose for which they were administered. My wife has been very much affilted with sick headache, and, by using one-half of on of the pills, has uniformly found relief. I think it superflucus to enumerate the different complaints for which I have administered these pills. Suf-fice it to say that, so far as the numerous complaints set out in the wrapper have failen under my notice, the pill has had the desired effect in removing the same; and so far as my-self have been concerned, I can say that they leave the bowels in better order than the use of any other cathartic that i have med. CINCINNAT, September 25.—Flour unchanged and rather dull; demand limited; 12,000 bbls sold at \$4 95@5 10 for superine; receipts 4500 bbls within the last 24 hours. in the rings, when the speed of the horses will be change of programme this morning, with a number tested. A mule race, and probably a donkey face, of n velties in prenaration.

will take place in the afternoon. Friday, the last day, will be one of interest. It the piea-are of informing our readors, promises to pet and leather traveling bags, &c. P. M. DAVis, Auctr. was intended to have an agricultural address deliv-ered, and apporting prominent gentlemen were invited to deliver one, but it is found impossible to obtain a "big gun" for the occasion, and the time will be at lot of this spin all of the thing will be at lot of the grown the preparations made, and being male tor this spin all of the thing will be as lot of the grown the preparations made, and being male tor this spin all of the thing will be as an event of uncommon important, if we are to page from the preparations made, and being male tor this spin all of the thing will be as lot of the grown due to the second if the Society for three hours. Legentlemen of great ability, in his line, but who, with rare modesty, does not wish his name made public, will give exhibitions in the art of horse taming, a la Rarey, to whom he is said to be little, if any, inferior. Desident to the Heiter was intended to have an agricultural address deliv- be an event of uncommon importan e, if we are to

 Ittle, if any, infarior.
 We are informed by the President, Judge Heister,
 and the Secretary, Hon. D. W. Taggart, that the at-tendance at the Fair from the eastern countieg of the State, Chester, Lancaster, Dauphin, Northumberland. Alleyed Larceny.—On Friday night, a tailer name ed John Higgins arrived here from New York and put ep st a hrother artisen's on Market street. On Saturday monling he was shown down stairs by the fair daughter of his bost, but on reaching the door be discovered that he was minute a ten and a five dollar gold piece He herged the toff of the noney on the girl, and proceeding to the Mayor's office, had a warrant issued. She was taken before Mayor's college having sech a front of 24 feet on Washington street, and extending back 100 feet to Wainut alley. Nos. 177 and 178 having sech a front of 24 feet on Washington street, and extending back 100 feet to Wainut alley. Nos. 177 and 178 having sech a front of 24 feet on Washington street, and extending back 100 feet to Wainut alley. Nos. 177 and 178 having sech a front of 24 feet on Washington street, and extending back 100 feet to Wainut alley. Nos. 177 and 178 having sech a front of 24 feet on Washington street, and extending back 100 feet to Wainut alley. Nos. 177 and 178 having sech a front of 24 feet on Washington street, and extending back 100 feet to Wainut alley. Nos. 177 and 178 having sech a front of 24 feet on Washington street, and extending back 100 feet to Wainut alley. Nos. 177 and 178 having sech a front of 24 feet on Washington street, and extending back 100 feet to Spruce alley. Title indisputable. Terms cnab. (a) Physical Ph etc., will be quite large, and that the stock shipped from these counties will be far shows the avarage The accommodations for reaching the grounds will be ample. Omnibuses will be run at short intervals by the Excelsion Combus Company, and trains will leave the head of Smithfield street, by the Penney! vania Railroad, every fifteen minutes, both convey ances landing passengers almost on the Fair grounds From present indications, then, we conclude that

Democratic Meeting .- The Democratic inceting an-nounced at William Beltzhoover's, "cower St. Clair township, for Saturday evoning last, was large and respectable. Charles King, Esq., presided; George -An old man, eighty-two years of age, named Neal was Secretary.

Not Arrested - On Sunday afternoon, the officers fonce when by some means the gun wort off, and he who went in pursuit of Caboe, the man who killed received the whole charge in his arm near the sh. ul. Charles B. Maguire, at Williamsburg, near this city, der, soverely, though it is hoped not mortally, wound. on Thursday night, returned to the city, not being

destroyed by fire. The loss is estimated at ten thou-

to Waynesburg and lodged in jail to await his trial

We are informed that the accused acknowledged his guilt, and assorte that this is the second offense of the some kind he has committed upon Judge Waif. Practical Jokes -- We learn that Hon. John T.

DALY, on the corner of Fifth street and Market alley, is the only one of the name in business this street to the street for the street to the s A BRAUTIFUL AND DURABLE PICTURE n this street. jy15:1y W. C. ELLIOTT, AS AT ANY FIRST CLASS ESTABLISHMENT WALL'S, Fourth street. ST FIFTH NEW DAGUERREAN AND AMBROTY \*\*\* 21 THE first place in public estimation is now I justiv accorded to the GROVER & BAKER MA. OHINE, for family Sewing, for the following reasons :-Ist. It is MORE SIMPLE and EASILY KEPT IN ORDER than any other machine. 2d. It makes a seam which will NOT RIP or RAVEL, though every third stitch is cut. 8d. It sews from two ordinary spopl, and thus all trouble of winding thread is avoided, while the same Machine can be adapted, at pleasure, by a more change of spools, to all variatics of work 4th. The same Machine runs silk, linen thread and spool ath. The same and achieve runs silk, linen thread and spool cotton, with equal facility. 6th. The seam is as elastic as the most elastic fabric, so that it is tree from all LIABILITY to BREAK, in WASH: ING, IRONING, or otherwise. 6th. The stitch madd by this Machine is more BEAUTI-FUL than any other made, sither by hand or machine. í tað

but man any other made, either by hand or machino. OPINICNS OF THE PRESS.
