

CONGRESS, NEXT DISTRICT. ANDREW BURKE, City. CONGRESS, NEXT DISTRICT. JOHN BIRMINGHAM, City. SENATE, NEXT DISTRICT. JOHN BIRMINGHAM, City. SENATE, NEXT DISTRICT. JOHN BIRMINGHAM, City.

THE DEMOCRATIC COUNTY COMMITTEE OF BIRMINGHAM. SATURDAY, 23 October, 2 P. M., at St. Paul's Tavern, in Rob. House, in Chamber Street. SUNDAY, 24 October, 2 P. M., at St. Paul's Tavern, in Rob. House, in Chamber Street.

DEMOCRATIC NATURALIZATION COMMITTEE. JOHN MCGOWAN, JOHN TAYLOR, DANIEL CARLSON, DANIEL FICKELSON, JAS. C. CUMMINS. Kiber of whom can be consulted daily, at their respective places of business.

BE ASSESSED. Do not forget to be assessed in time. The election takes place in a few weeks, and in order to vote you must be assessed ten days before the election.

THE TRUE PRESS VS. THE DEMOCRACY. Tom Williams & Co. are like men seated upon chairs which have lost a leg, and an attempt to move in any direction, sends them sprawling. What the True Press says one day it is sure to contradict and upset the next.

THE CHICAGO, PORT WAYNE & CINCINNATI RAILROAD. This most important avenue of trade to the State of Pennsylvania, is getting along most satisfactorily and safely. Its importance as a portion of the great central route between the seaboard and the lakes, cannot be over estimated.

THE AGRICULTURAL ADDRESS. The managers had a telegraph that Hon. Stephen A. Douglas would have been present and delivered the address at our State Fair, held this week, but his engagements in Illinois have prevented.

THE LONDON PAPERS. Hunt & Miner at the great periodical depot, Masonic Hall, Fifth Street, have received the London papers of the 21st September 11th. The London Illustrated News is a capital number, and contains a large colored plate.

second District every true Democrat will vote for John Birmingham. The Democrats of the district have no other candidate, and will vote for no other. The Twenty-eight Hundred Democrats of Butler county have some knowledge of this man Williams in times gone past.

Under these circumstances, it is of the importance to be advised of Mr. Buchanan's sentiments throughout the country, and more especially is it mutually interesting to the President and to his followers in his native State, that they should know each other's views of the matters transpiring in our own commonwealth.

What does Mr. Buchanan think of repudiation? Shall we not have an answer to this, and action to correspond with the views proclaimed? Just before Mr. Buchanan issued his first annual message, the financial panic and general depression, and monetary and monetary institutions were the universal theme.

For repudiation, in the Democratic Convention, controlled chiefly by the Democratic party, the issue of the State and National policy are utterly neglected and postponed for repudiation; these same plagues succeed in preventing a Democratic Convention from being held.

Mr. Buchanan has an immediate interest in this matter as a citizen of Pennsylvania. Then he has an interest to preserve the whole Democratic party from the contamination of a sacrifice of honor and principle—I cannot think so.

Mr. Barr:—An editorial in the Post called to an editorial in the True Press yesterday (Monday) stating that the nomination for Congress, of the 22d District, was offered to several persons named in the True Press.

Mr. Barr:—An editorial in the Post called to an editorial in the True Press yesterday (Monday) stating that the nomination for Congress, of the 22d District, was offered to several persons named in the True Press.

Mr. Barr:—An editorial in the Post called to an editorial in the True Press yesterday (Monday) stating that the nomination for Congress, of the 22d District, was offered to several persons named in the True Press.

Important from Pike's Peak.—The True Press. The Wyandotte (Kansas) Gazette of the 18th says: "Yesterday ten thousand dollars in gold arrived from Pike's Peak. One man brought in \$8,000 as the result of a few weeks' work. A small boy had \$3,000, which he says he dug down and found."

Several days ago, says the Gazette, an old mountaineer, expended \$1,000 of the aching dust in Independence last week, for his return outfit. Mr. Jones is well known in this vicinity, and being an old Californian, his statements that the Kansas mines are far ahead of those of California, must be believed.

There is very good authority for stating that Hon. Amos A. Lawrence will neither accept nor decline the American nomination for Governor of the State. An effort will be made, it is said, to induce the President to allow the use of his name in connection with the Democratic nomination for Congress from the fourth district.
