## THE DAILY POST.

A LIT & BIKED.

The True Press is considerably mixed as  
to the candidate which it will support for  
the Supreme Judgeship. It has an article on  
Thursday, in relation to Judge Porter and  
Mr. Read, of the "Porter and Read" party,  
and it would be sorry to suppose that John  
M. Read, is against its views on the Tax  
Question, and it has heard (of course it has)  
that he is right upon it. It hopes that both  
candidates stand equally fair in this particular.  
It says: "If we have been informed on the  
one hand, that Mr. Read was with us, we  
have been equally so upon the other, that the  
eyes of Judge Porter, are now opened to the  
full blaze of light." If either of the candi-  
dates for the Supreme Judgeship, have given  
the slightest intimation of their opinions, upon  
a great legal issue which is to come before  
them in final appeal, in the course of  
having the facts before them, and hearing the  
argument deduced from these facts, he has  
done a very foolish and improper thing, be-  
coming a lawyer, and grossly indecorous in  
a candidate for so important an office as that  
of Judge of the Supreme Court. The truth is,  
neither Mr. Read nor Judge Porter, have  
either of them intimated their opinions upon  
this question. Neither of them look upon the  
position to which they aspire, as a bribe  
by which their free judgments upon questions  
of law, are to be bought in advance. They are  
in the field as the candidates of two great po-  
litical parties, not as the professional adver-  
saries of the Bondholders on the one side,  
or Tax payers of Allegheny county on the other.

The True Press cannot derogate the high legal  
reputation of either of these gentlemen, by  
a false intimation that it has obtained a  
forfeiture of their opinions upon this  
Tax question.

The Democracy will vote for Judge Porter,  
because they know him to be an honest, com-  
petent, and learned judge, and a Democrat.  
They look upon Mr. Read, as a turncoat, and  
as politically unworthy of their confidence.

The Black Republican proclivities of the  
True Press, of course induce that journal to  
favor Mr. Read's election, but Mr. Williams,  
votes to swindle a few Democrats out of  
their votes, and so the Press is compelled to  
blow both and cold. It is "good lord,  
good lord," with the True Press.

**VARIETY UNPARALLELED.**  
It is said that Mr. Williams actually be-  
lieves, that he will be elected to Congress in  
the Twenty-Second District. The over-  
weening vanity of some men strangely  
blinds their judgment, and it is absolutely  
strange for the little coterie of flatterers who  
surround Mr. Williams, to keep him in the  
highly mistaken condition they do. He is  
a man of fair natural talent and well edu-  
cated and ought to have common sense enough  
to see that he is being deceived and made a  
fool of.

The Democrats of the District will  
not vote for him. They have a candidate of  
their own in the field of pure Democratic  
antecedents and unimpeachable character - one  
who does not seek the position to gratify his  
personal vanity, but who is desirous of serving  
the people in their best interests.

The Democrats in Butler county about the  
idea of voting for a Black Republican, who  
they have such a Democrat as John Birning-  
ham in the field - a man who is sound on all  
the leading questions of the day - both gen-  
eral and local and who all his life has acted  
with and for the Democracy.

It is simply pity Mr. Williams, for his in-  
dignity is about to receive such a shock as  
may unsettle his already wretched intellec-  
tual powers. We do not blame him for  
possessing this vain glorious self esteem - it  
is a quality inherent in his nature - he can-  
not help it; but we do blame those who are  
feeding his vanity with delusive hopes of three  
thousand dollars a year and the much covet-  
ed word "Honorable" prefixed to his name.

The aristocrat who can "smell a mechanic  
about the street," and will not permit his  
children to associate with those of "common  
people," will never receive the vote of any  
true Democrat.

**CAPT. JOHN BIRNINGHAM.**  
In speaking of Capt. John Birningham's  
nomination, the Butler American on opposition  
party, says: "We have known Mr. Birning-  
ham for many years, and though he is not  
always has been one of the most radical and  
energetic members of the so-called Demo-  
cratic party, he is a clever, noble-hearted  
man. We shall oppose his election strenuously  
with all the courtesy due to a high-minded  
and honorable gentleman." Not even political  
opponents can find fault with manliness and  
political consistency of character in the re-  
cord of the Democratic candidate for Con-  
gress in the XXII district. He is a man of  
the people and has been an advocate of their  
best interests all his life.

**BUTLER COUNTY DEMOCRATS.**  
Do not be deceived into voting for Thomas  
Williams for Congress, by any representa-  
tions which may be made to you, that if  
elected, he will favor the principles of true  
Democracy. He will not. He proclaims  
that "he stands where he has ever stood,  
upon the Republican platform."

**Democrat of the Twenty-Second District!**  
You can elect John Birningham - a true and  
tried Democrat, if you will. Williams will  
get enough of the Black Republican votes  
of his own party to defeat McKnight, the  
regular nominee, and your votes can send  
Congress the man whom James Buchanan  
and all supporters of the present Democratic  
administration, except a few Pittsburgh of-  
fice holders desire to have there.

It can be done, and the Democrats of the  
Twenty-Second will cover themselves with  
glory by doing it.

**Resolved.**  
At a meeting of the representatives of the  
Baltimore and Ohio, Pennsylvania, New York  
and Erie, and the New York Central Railroads,  
held at the city of New York, on the 25th  
day of September, 1858, the agreement ad-  
hered to at Philadelphia, was ratified. It has  
already been published in the columns of our  
paper.

Van Amburg's manager will be at Harris-  
burg on October 11th.

Dan Rice's Circus will be at Cleveland next  
week.

## DEMOCRATIC ADDRESS.

The Democracy of the Twenty-Second Dis-  
trict are true to their party organization, and  
at the coming election will prove their re-  
gard for the time-honored principles of their  
party by voting for Capt. John Birningham  
for Congress, who represents those principles.

In times past, the Democrats of Butler  
have maintained their integrity most manfully,  
and they will do so now. The scheme to  
compel them to vote for one or the other of  
the Black Republican candidates was the  
scheme of a few men. To the masses - to  
the Democrats of the party, it is detestable.  
The Democrats of Butler are not to be  
blamed that things took the course they did  
at Bakers-town. The influences which deprived  
them of their just rights, came from a  
few men in Allegheny county, and most of  
these were either members of the opposition  
party, or acted under the advice and control  
of Black Republicans who had personal ends  
to gain, and personal ambition to gratify.

The evil which threatened the District,  
of being deprived of a Democratic candidate for  
Congress, has been happily averted. A  
man in whom every Democrat in the District  
has the most thorough and implicit confidence  
is in the field, every true-hearted Demo-  
crat in the District should work for him and  
vote for him.

The Democratic Vigilance Committee ap-  
peal to their fellow Democrats in the Twenty-  
Second District in the following brief and elo-  
quent ADDRESS.

**To the Democracy of the Twenty-Second Con-  
gressional District:**

**FELLOW-CITIZENS:** - But a few days will  
elapse before you will be called upon to rally  
in defense and support of the Democratic  
principles and usages of the Democratic party.  
A State contest of more than ordinary  
interest is in progress, and not only is an  
important judicial office to be elected, but the  
principles of the party are to be re-asserted  
(and sustained, as well against the attacks of  
the Opposition, as from the assaults of the  
Domestic traitor. Everything that is dear to  
the heart of the true Democrat appeals to  
him to devote a few days, and that faithfully,  
to the maintenance and preservation of the  
Democratic organization - an organization,  
which, from its beauty, symmetry and firm-  
ness, has so long and so successfully aided in  
the preservation of our Union, and the patri-  
otic and safe management of the affairs of our  
National and State Governments.

Imbued then, as we are, with the impor-  
tance and necessity of preserving our orga-  
nizations - State and County, in all their parts  
sound and undivided by the contaminating  
touch of Black Republicanism, and the still  
more polluting contact with Know Nothingism,  
we feel constrained to appeal to the Democratic  
strength of the District to rally in all their  
power, during the month of October, in the  
city of Philadelphia, for the purpose of electing  
a candidate for Congress in the Twenty-Second  
District - a candidate of the Democratic party,  
and one who is sound on all the leading ques-  
tions of the day - both general and local, and  
who all his life has acted with and for the  
Democracy.

It is simply pity Mr. Williams, for his in-  
dignity is about to receive such a shock as  
may unsettle his already wretched intellec-  
tual powers. We do not blame him for  
possessing this vain glorious self esteem - it  
is a quality inherent in his nature - he can-  
not help it; but we do blame those who are  
feeding his vanity with delusive hopes of three  
thousand dollars a year and the much covet-  
ed word "Honorable" prefixed to his name.

The aristocrat who can "smell a mechanic  
about the street," and will not permit his  
children to associate with those of "common  
people," will never receive the vote of any  
true Democrat.
